ALABAMA COLLEGE

MONTEVALLO ALABAMA

Time all things

I

When the years have rolled on to the fifties, and
the College has changed with the times;
And the maidenly curls which were once worn
by girls, have been clipped for the masculine
lines;
We shall tremble,—and faith, we shall need to
—when our *men* of long, long ago,
Steal a glimpse in their dorin, while they are
learning to sew.

II

And those who teach shall be happy, in their
beds,—a broadcaster near,
For their courses are offered to all those stu-
dents "tuning in," my dear!
And football heroes! Scores of them! Mad-
eline, Lucy and Jane;
While the pretty, ruffled men their racquets
wield in a graceful "love" game.

doth change

III

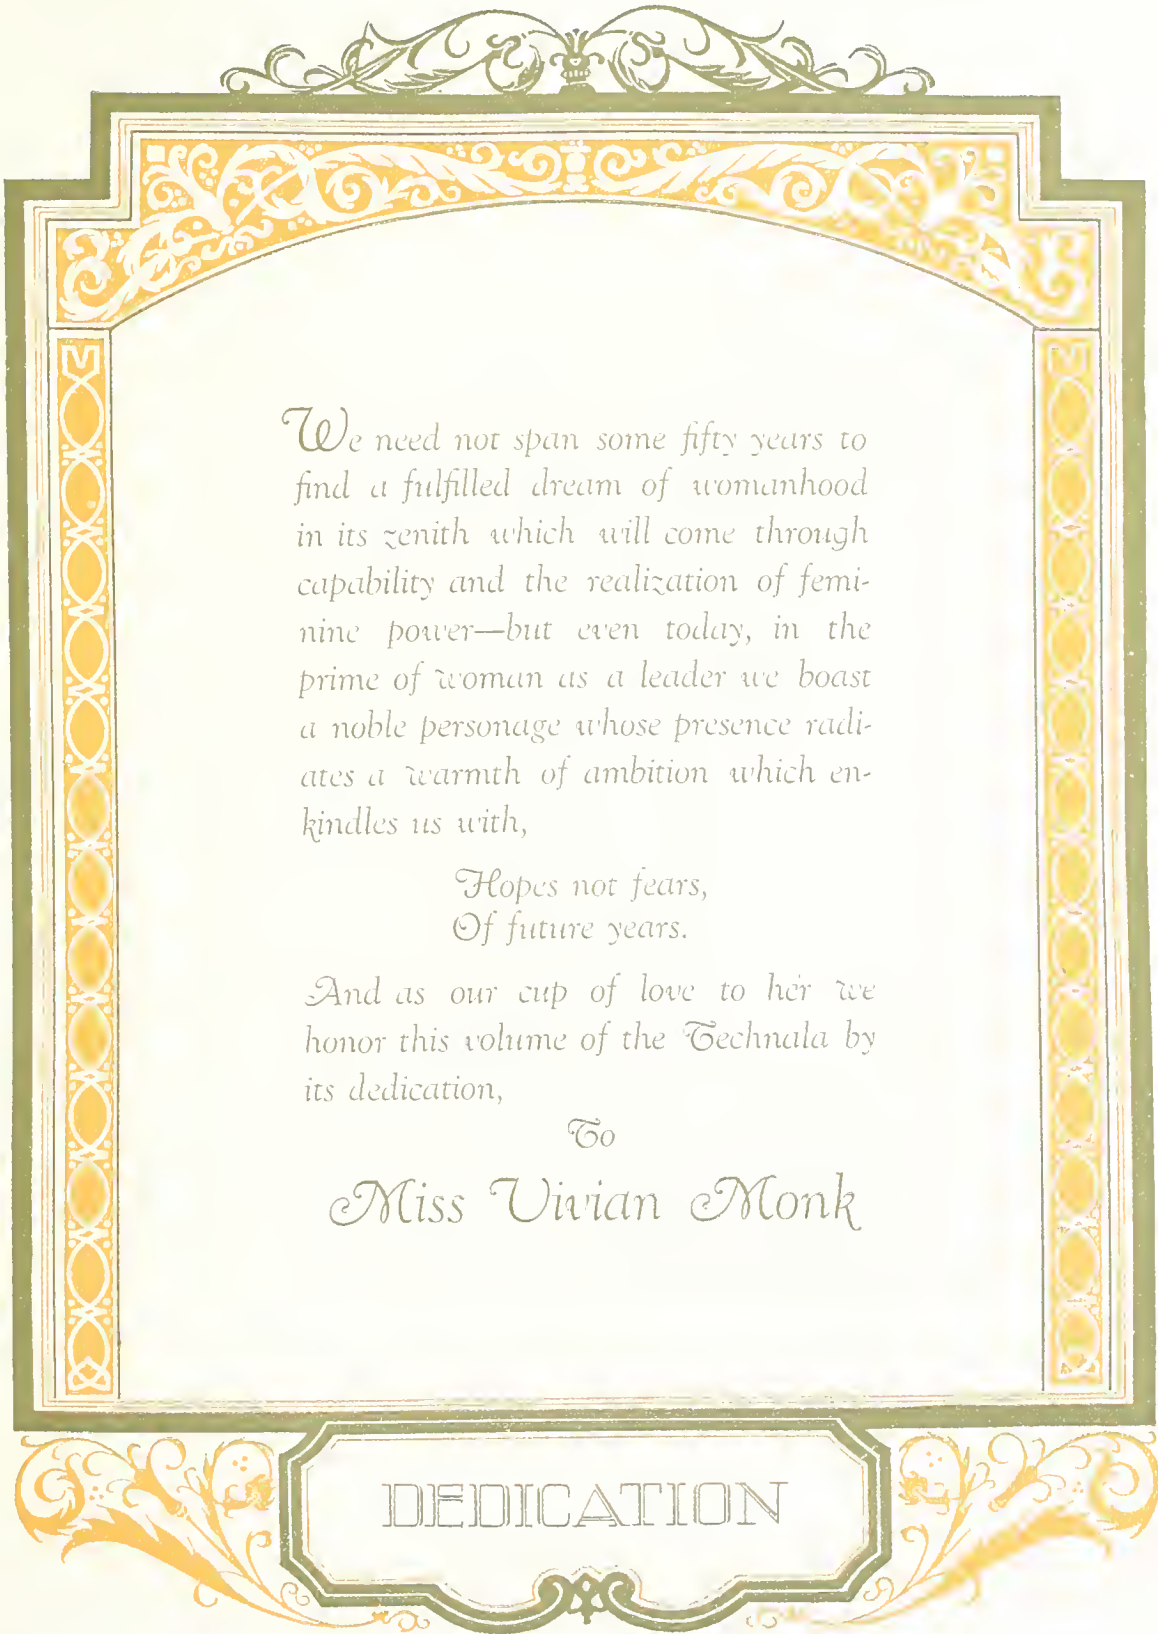

And the heart of a maid shall be braver, and the
style in her dress transformed;
Absent the frills and flares of today—in a cos-
tume for service adorned.
Men inherit—and pray why should we care!—
our frilly things of laces and nets;
And at their afternoon teas, we see poodles,
pets!

IV

So only the men shall wear ruffles, and even
shall they be prim;
Nor shall any girl have a care—except wooing
and winning her him;
And each for the joy of seeking and finding her
own fair Jim,
Shall do these things as she sees fit, for *our* day
lies mistily dim!

DEDICATION

*We need not span some fifty years to
find a fulfilled dream of womanhood
in its zenith which will come through
capability and the realization of femi-
nine power—but even today, in the
prime of woman as a leader we boast
a noble personage whose presence radi-
ates a warmth of ambition which en-
kindles us with,*

*Hopes not fears,
Of future years.*

*And as our cup of love to her we
honor this volume of the Technala by
its dedication,*

In Memoriam

E, the students and faculty of Alabama College, feel a great loss in the passing of Dr. Palmer. We knew him as a man of a loving nature, kind to his immediate and to his college family, a true friend, a loyal citizen. "Good Cheer" was his motto on the campus where we were all encouraged by his smile and kindly words. So much did he sympathize with us even in our trivial worries as well as our larger ones, we failed to realize that he might have worries of his own. We look back now and see his schemes and plans for the upbuilding of our college—plans which sometimes to him must have looked like failure but which for us grew into better buildings, better equipment, better college spirit, and bigger opportunities. When he first came to Alabama Girls Industrial School, he found it an unknown, unimportant, meagerly equipped school—a none too well organized high school, like a rough and rustic girl, no opportunities, no bright future. He left Alabama College a four-year college, a member of the Southern Association, proud of her position among other colleges. The rustic girl grown into cultured womanhood with wisdom in her countenance faces the future with a sure and stately step because she follows a great leader.

In these beautiful buildings on our campus, Dr. Palmer has left a monument which will endure and grow through many student generations, and he has left a yet greater though more transient monument in all the young women who have entered Alabama College since 1907.

We admired him for his abilities as an educator and executive; we esteemed him for his place in the community, church and state, and we loved him for his understanding heart and his fatherliness.

DR. THOMAS WAVERLY PALMER

In Memoriam

Dr. T. W. Palmer

Our President

(1860-1926)

Born May 19, 1860

Died January 7, 1926

Our Debt to Mrs. Palmer

Alabama College owes much to Mrs. Palmer. As wife of our President she has contributed in large measure to the success of his undertakings. In assuming the major responsibility for the immediate family interests, in her ever ready graciousness toward the guests of the institution, in her constant watchfulness of Dr. Palmer's welfare, she has proven herself a helpmate in truth.

Those of us who live on the campus and in Montevallo know how faithfully she has labored for the beautification of the campus. The many lovely and some rare plants and trees are a memorial to her thought of us.

Too, Mrs. Palmer's interest in the education of women, and her ambition for the growth of the college have combined to keep her alert at all times for its well being. No one has ever been connected with the institution who has been more jealous of its good name, more eager for its advancement, more ready to work to help it come into its own, more concerned for the development of the students into true gentlewomen than Mrs. Palmer has been. Of dynamic temperament, of an unusual understanding—a sort of clairvoyant vision—she has been able to detect tendencies often before the less clear visioned would see them.

So much has been done, what has been done has been done so well; so firm are we fixed because of the sensible, sure and long-visioned policy of Dr. Palmer, that we trust we may keep for all time the love and helpful thought of his family. Our debt is a permanent one. We hope their affection for us will be lasting.

The Campus

In the dim and distant future,
When the campus you would cross,
You will not go walking, running,
But in subways or in airships,
Things that suit our brave descendants
Who inherit this our Campus
And who cherish all its lore.

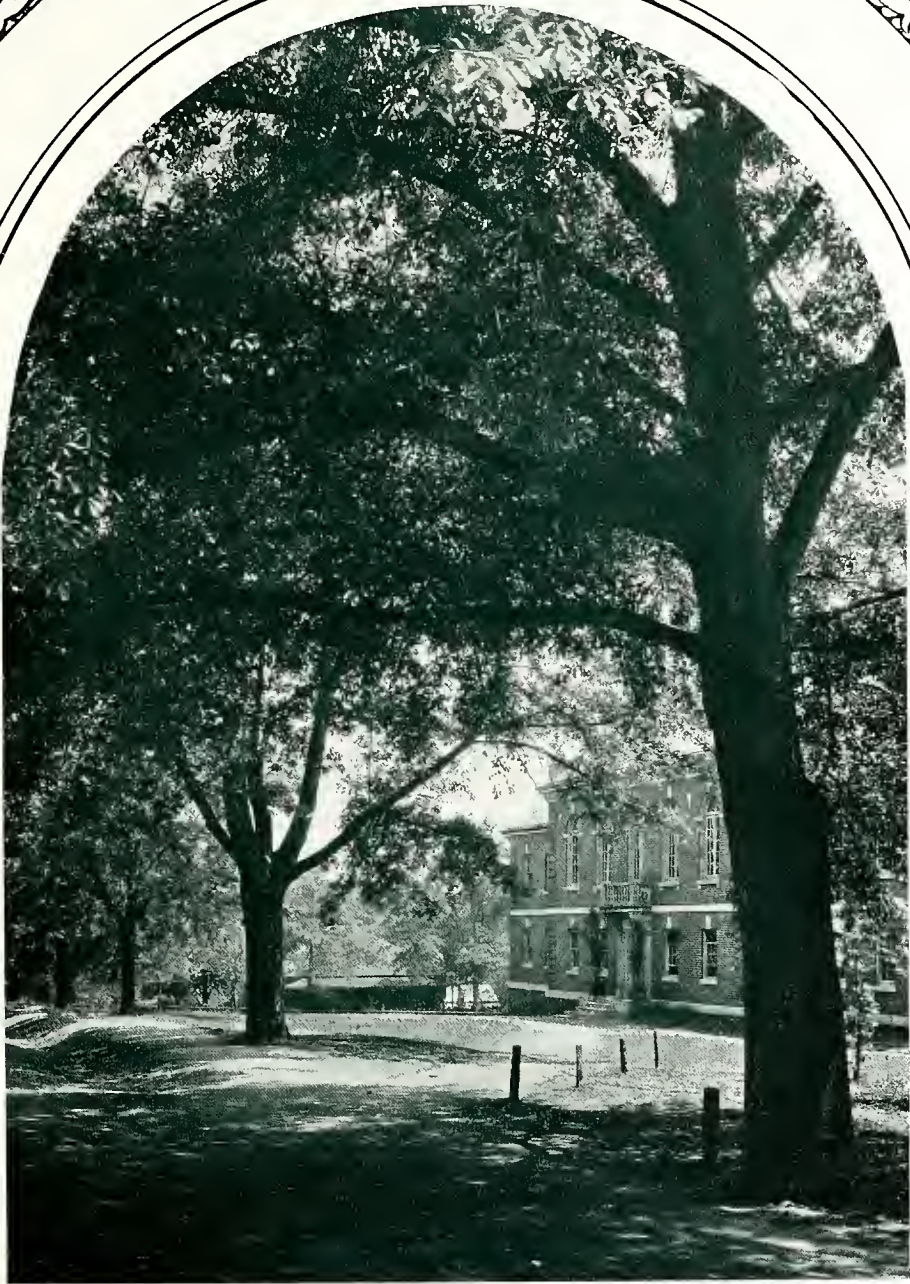

"In the Heart of Alabama."

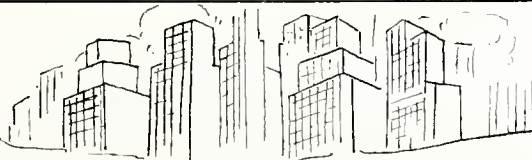

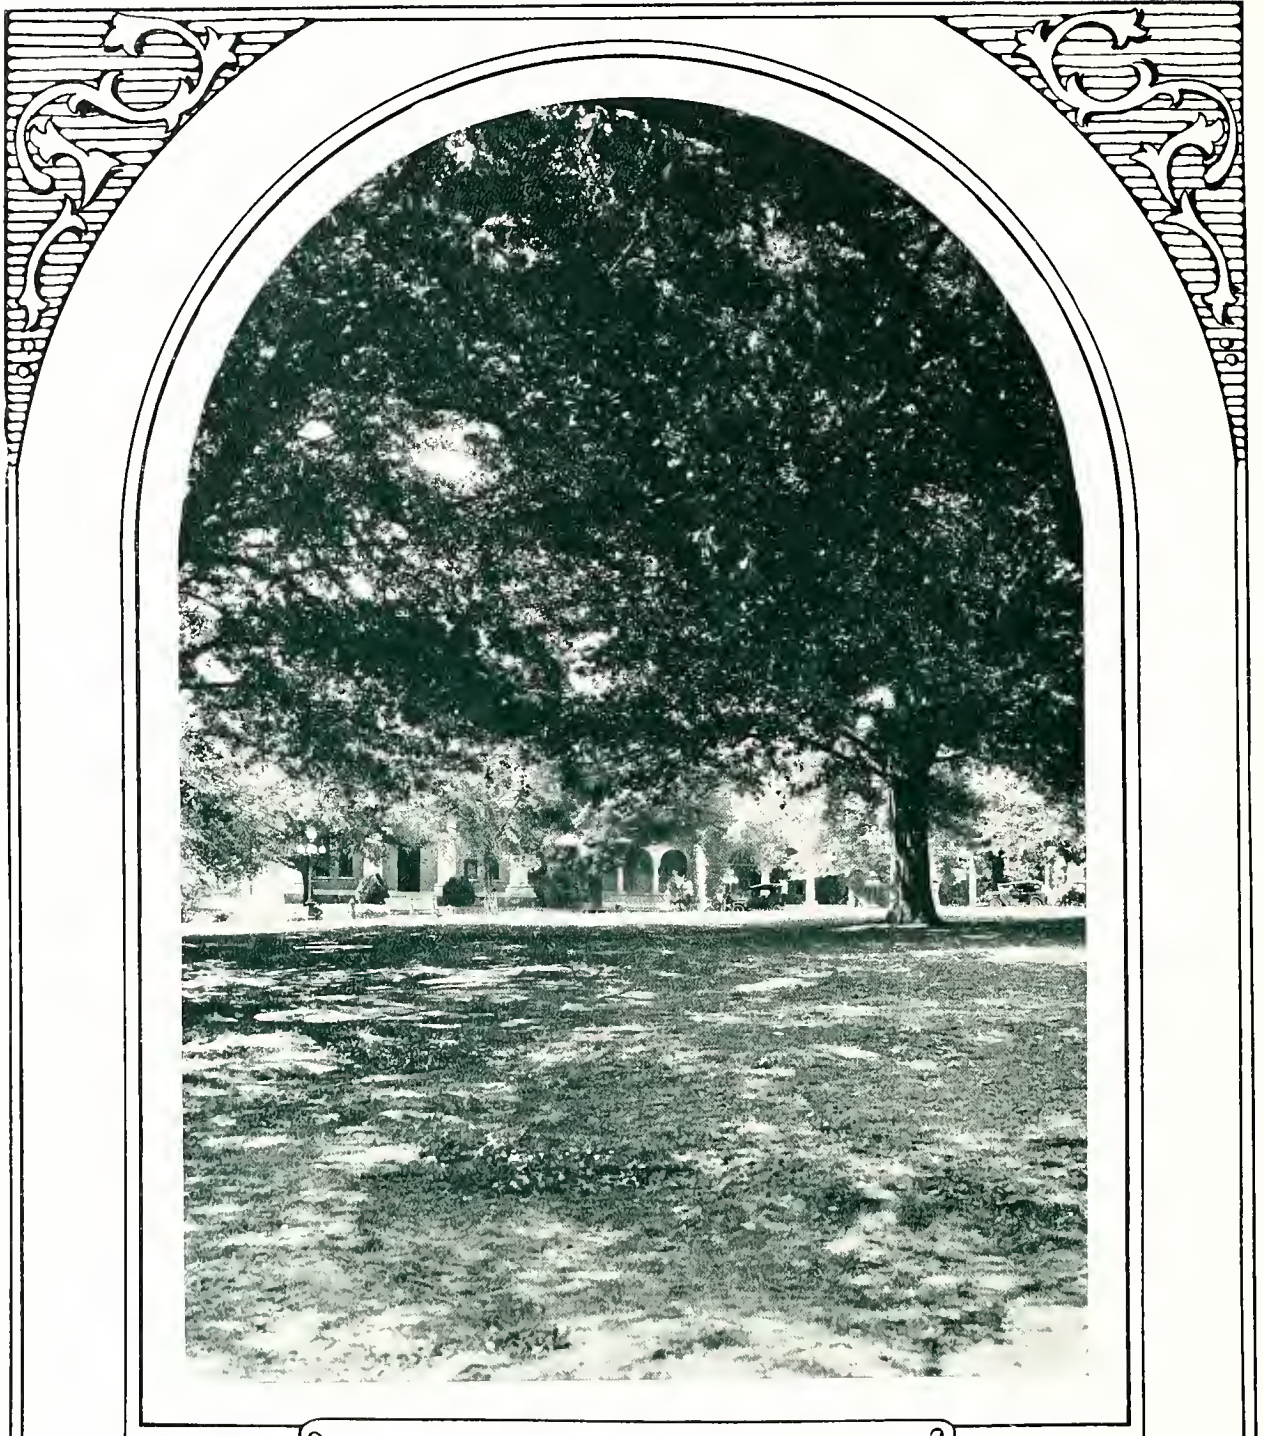

"Where the air is filled with fragrance from the flowers"

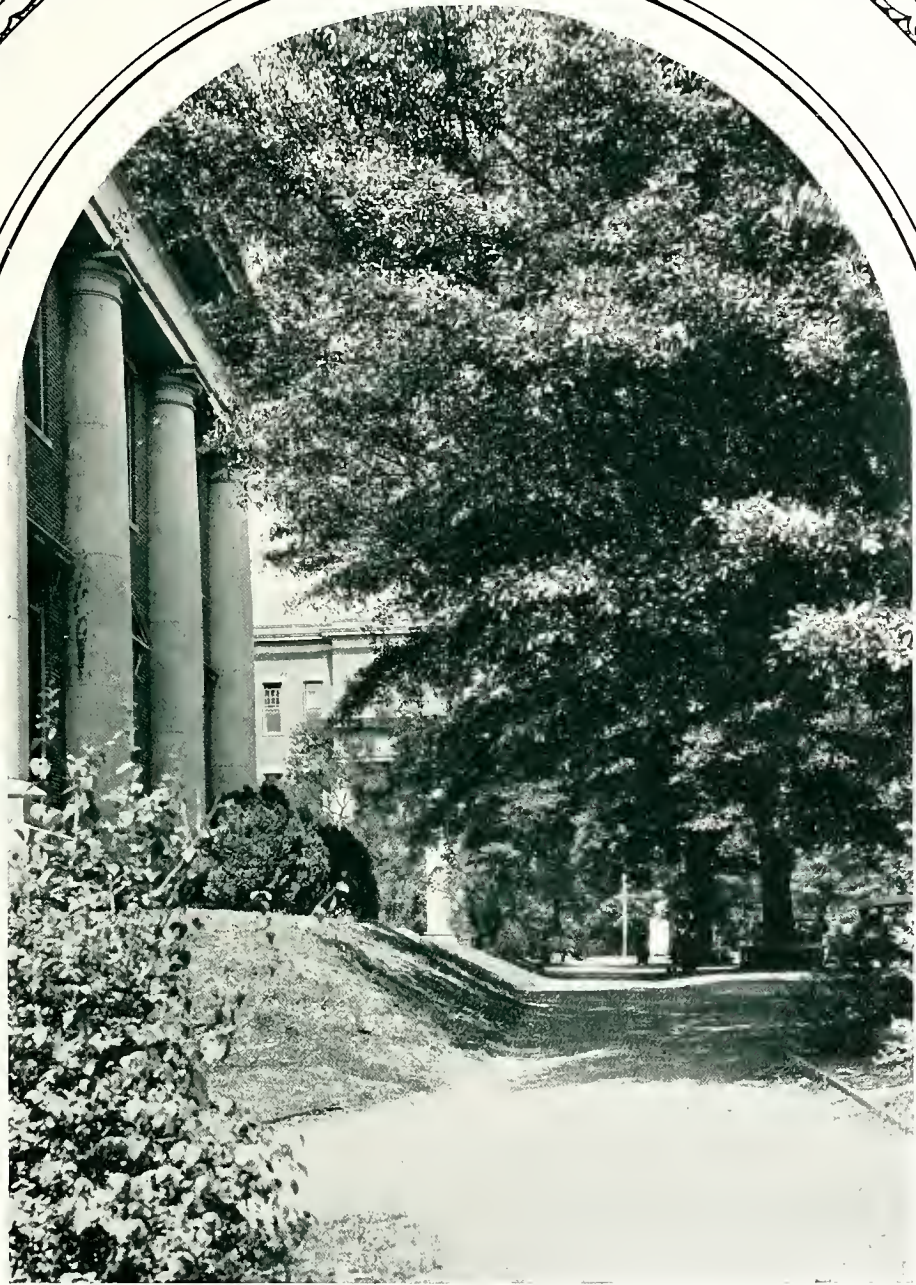

"The Hall of Melodies."

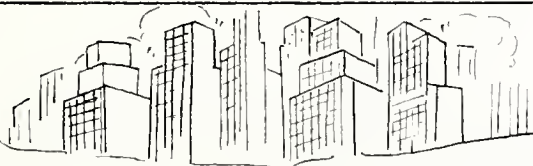

"Where the campus lies in sunshine or in shadow."

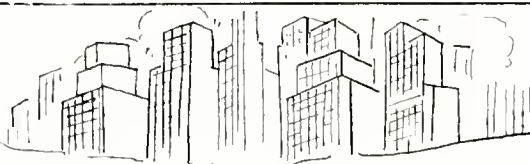

"Where the dial marks the passing of the hours."

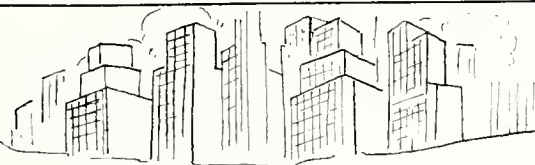

"Where the ivy-covered tower stands in splendor!"

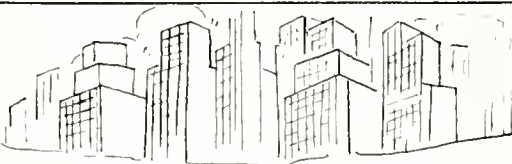

"Where it lies in beauty nestled in the hills."

"High upon the dear old hill."

The Classes

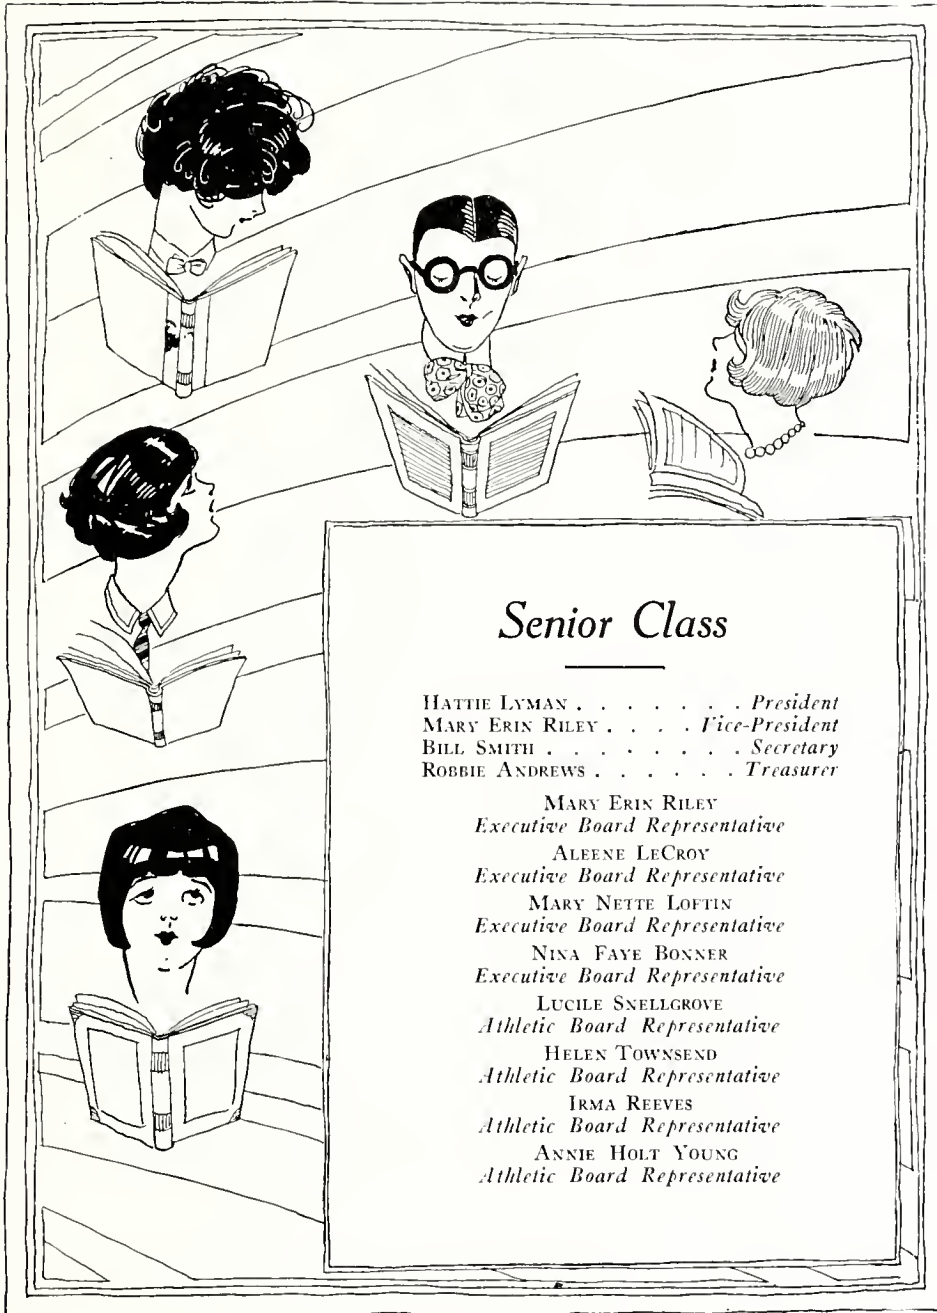

In the dim and distant future
When the Classes you explore,
Not only will you see the faces
Of our daughters strong and hardy,
But among them you will find there
Sons as dainty as we once were,
And as apt to use the lip-stick.

FLORALA, ALA.

Entered 1922; Y. W. C. A. Cabinet, 1922-23-24-25-26; President Y. W. C. A. Summer School, 1924; Assistant Librarian, 1923-24-25-26; President Student Government Association Summer School, 1924-25; Treasurer Senior Class, 1925-26; Vice-President League of Women Voters, 1924-25; Secretary Student Senate, 1925-26; Honor Roll, 1923-24-25-26.

Surely Robbie must have kept the saying "Knowledge is Power" constantly before her for she has the knowledge and she is, in truth, a power here. She is earnest, thoughtful, dependable, capable, a live wire in student activities—in fact, she is everything it takes to make an ideal college citizen. To say that Alabama College will miss her is not enough—what will it do without her?

For three years Hazel's red head has been a shining light on our campus—in club work, in dramatics, and in every kind of work that she was asked to do. But she will be remembered longest at Alabama College for her bravery in taking the presidency and making a success of the Student Senate in its initial year.

So here's to you, Hazel, brave and beloved, red-headed, OUR President of the Student Senate!

Sophomore Sister—FRANCES LOFTIN

NINA FAYE BONNER, B.S., *A II Q*

Nina Faye has won our sincerest admiration and friendship by her quiet and lady-like ways. She never speaks unless something of value is to be said. Her four years at Alabama College have been profitably spent in the study of Home Economics. She has amassed a fortune in the knowledge of "Bake well in a moderate oven" and "Cream the batter, then add the sugar," etc. She leaves Alabama College with a host of friends. Nina Faye, we envy him, his future cook.

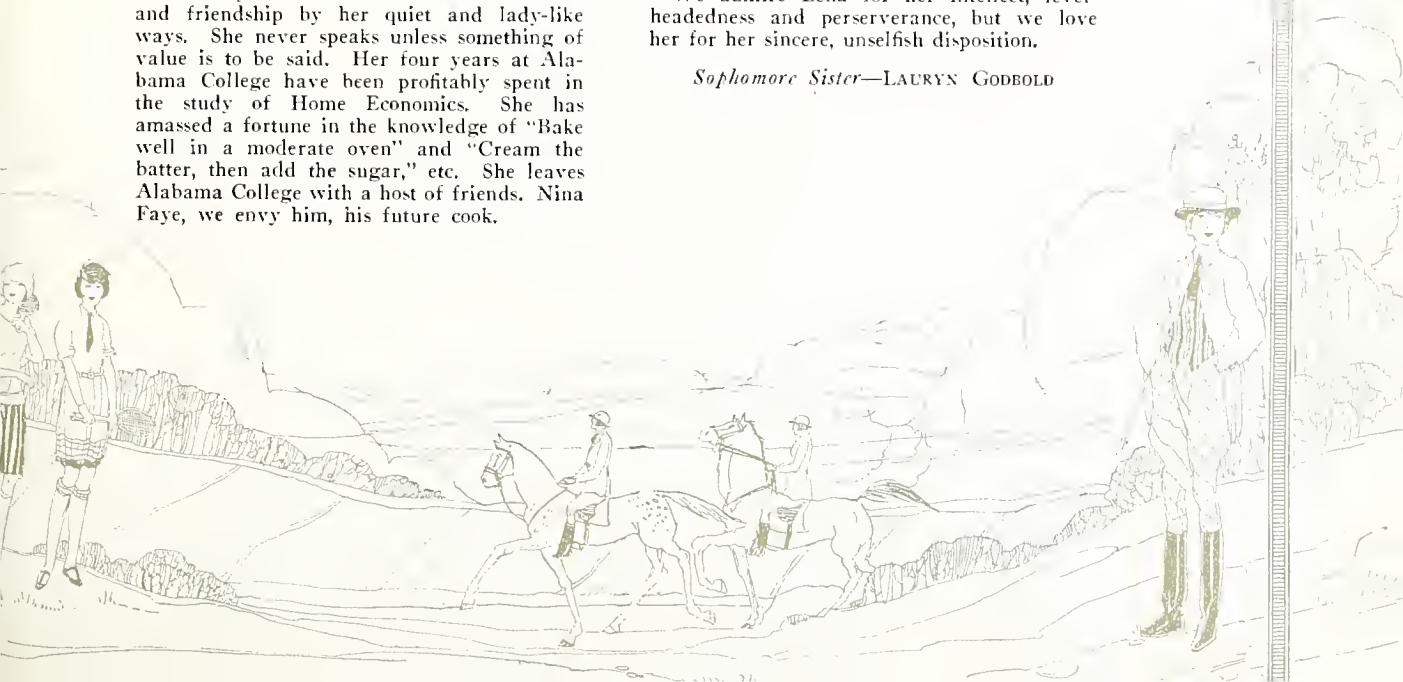

LENA BOOZER, A.B.
SWEETWATER, ALA.

Entered 1925.

Many have wandered over hills today, Mag-

Hunting for a girl like you.
There are vacancies in the minds of others
Waiting to be filled by a girl that's good and
true.

Many have sung our Alma Mater, Maggie,
Singing! Yes, loud and true,
But none have been more faithful, Maggie,
than you.

Sophomore Sister—THELMA PEARSON

WANDA BURKS, A.B.

CULLMAN, ALA.

Entered 1922; Glee Club, 1922-23; Senate, 1925.

Ever you'll find her always the same.

Calmness, intellectuality, sincerity—that's what her eyes tell you. Capability, independence, broadmindedness, sympathy—that's what friendship with her shows you. And would you know what intimacy reveals? All of these, and more. She's a true friend at all times. Nothing describes her except—just Patty.

Sophomore Sister—ROSALIE BARGANIER

Thressa is neat and fair of face,

 Ask the Senate!

She has worked for the Alabamian,
 Helped put it across;
 We love her smi'e, 'n sunny disposition
 When she's gone—"loss."

 —Shakespeare.

Sophomore Sister—CATHERINE ORTMAN

SARA CELIA CUMBEE, A.B.
STROUD, ALA.

Entered, 1922; Student Senate, 1925-26.

Sophomore Sister—LUCILE FULLER

PAULINE FAITH CURRY, A.B., I Σ T
MONTEVALLO, ALA.

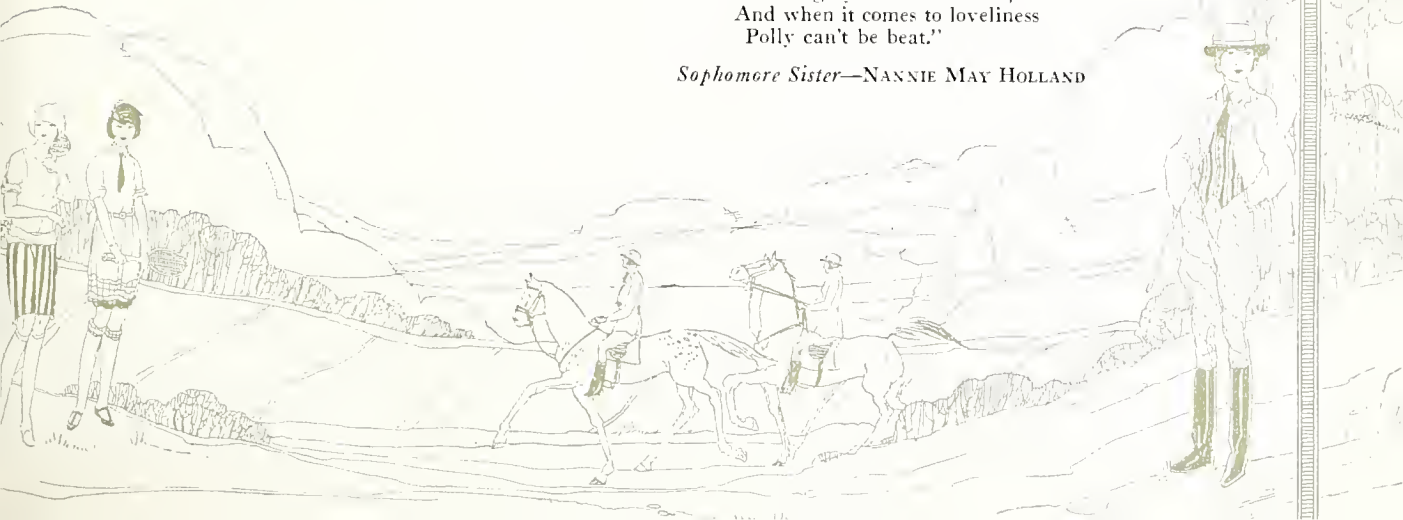

"Polly"

Entered, 1923; Secretary Glee Club, 1924-25; Secretary Tutwiler Club, 1925-26.

Being the smallest member of the Senior class is one of Polly's many distinctions. Her charming voice is another, and if you don't believe she's capable just ask any member of her math class.

"Not just exactly stately or tall,
But mighty cute and sweet;
And when it comes to loveliness
Polly can't be beat."

Sophomore Sister—NANNIE MAY HOLLAND

SALLIE MAE DALTON, $\chi \chi \Sigma$

OPP, ALA.

"Sal"

Entered 1921; Cynosopic Literary Society; Vice-President Castellan Club, 1925-26; Y. W. C. A. Cabinet, 21-22-23; Executive Board, Summer 1925.

Well, I see in the papers that everybody's wanting to know "What's become of Sallie." We all wondered that, too, when she left us for a while, and those of us who knew her record at smashing hearts were afraid that she'd "met her Waterloo," so to speak! But now I'm pleased to report that she is safely back in the Senior class at Alabama College. Since she is one of the most beautiful and most charming girls we know, Sallie's going to leave a place in "our alley" that cannot be filled, and there'll ever be a place in all our hearts that will belong to nobody but Sal.

Sophomore Sister—ZADA BANKS

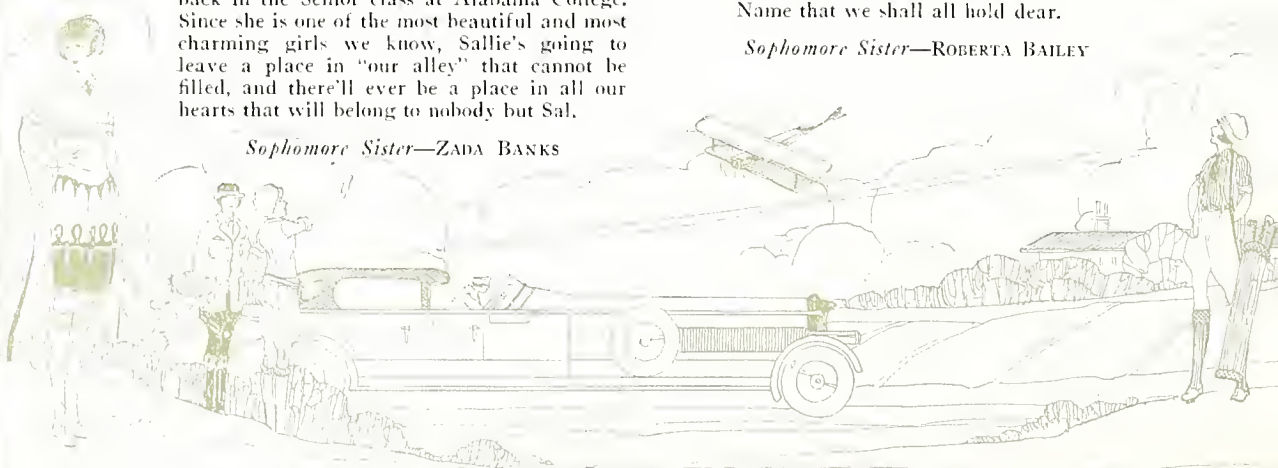

HELEN DAVIS, B.S.

G. at Tallahassee; President Student Government, 1925-26; Delegate to S. I. A. S. G. at Wesleyan.

H-earts are happy when she's near,
E-er her name we'll love to hear,
L-ovingly do we all obey her,
E-ach one ever glad to praise the
Name that we shall all hold dear.

Sophomore Sister—ROBERTA BAILEY

RUBY FOSTER, A.B., *II K A*

LUVERNE, ALA.

Entered 1922; Member Monk Club, 1922-23-24; Member Calkins Music Club, 1922-23-24-25; Program Committee of Music Club, 1923-24; Publicity Committee Y. W. C. A., 1922-23; Art Club, 1922-23-24; Member President's Council, 1924-25-26; President Pi Kappa Delta Club, 1924-25-26.

Neat and sweet from head to feet,
A lady quite complete;
She's a mixture of all that's nice,
A combination we rarely find.

Friendly? Yes. She has never passed any one without speaking. Maybe this accounts for her many admirers—and they aren't all girls either!

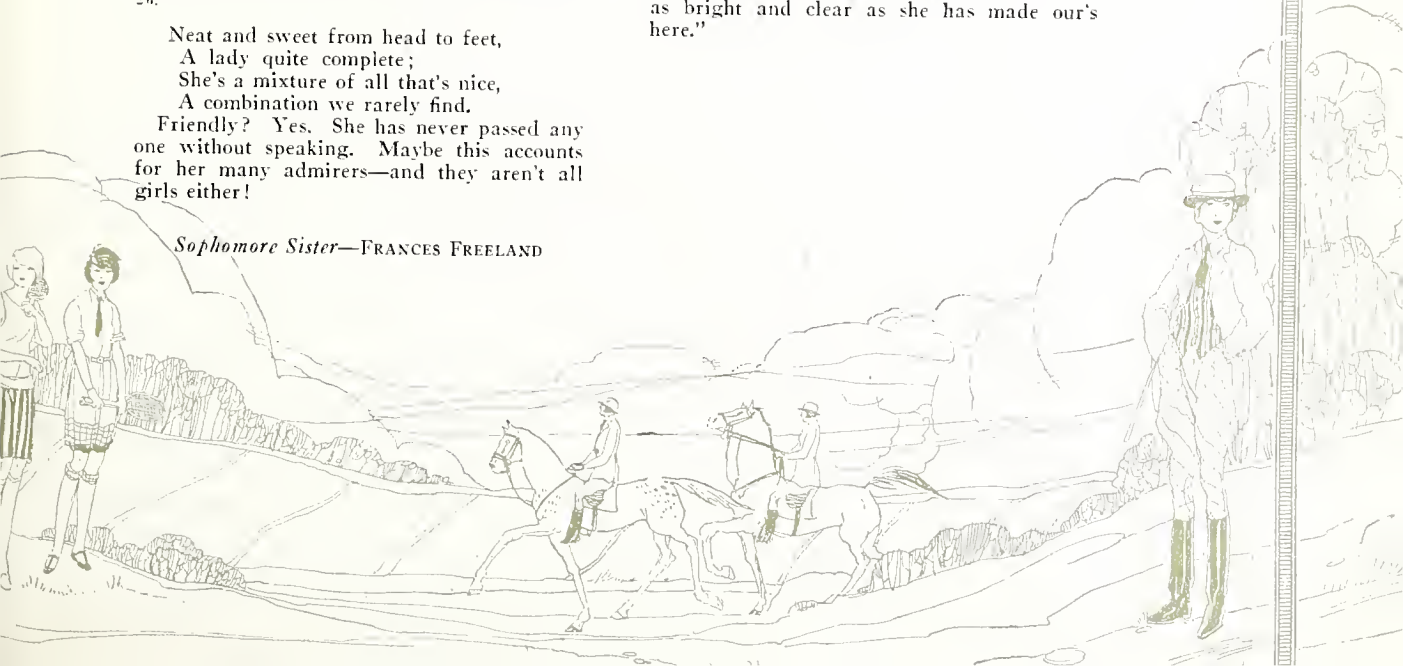

Sophomore Sister—FRANCES FREELAND

MARY DEARMAN, B.S.

WARD, ALA.

Graduate Livingston State Normal, 1924; Entered 1925.

"We're glad, dear Mary; we won when she finished at Livingston. May her future be as bright and clear as she has made our's here."

ELIZABETH GRANBERRY, A.B., $\chi \chi \chi$

DOIHAN, ALA.

"Granny"

Entered 1922; Critic-Castellan Club, 1922-23; Humbery Literary Society; Girls Scout; Glee Club, 1924-25-26; Treasurer Art Club, 1925-26.

She reminds you of lavender and Old Lace, or of an old-fashioned bouquet, this exquisitely dainty little person known as "Granny." Her soft drawl and her sunny disposition combined with loyalty and ability, makes her altogether adorable and charming. Possibly this is why she is loved by all—and especially by one. We are wondering how long it will be before some one else claims the whole of her warm heart.

Sophomore Sister—AUREA HUGHES

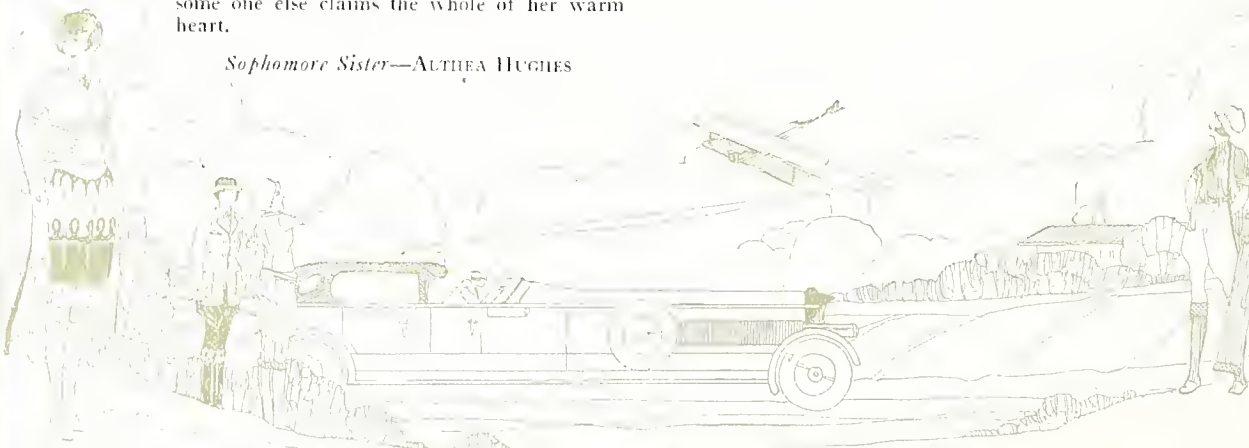

CARMENITA GREENE, B.S.

FAYETTEVILLE, ALA.

Entered 1923; Member of Home Economics Club, 1924-26; Chairman Programme Committee of Y. W. A., 1924; Member of Student Senate, 1926.

You do not have to search a long, long time before you find one of the most generous hearted whole-spirited girls in our school—Carmenita, and with it all she's an enthusiastic in everything she undertakes.

Sophomore Sister—PHYLISS EARLE

RUTH GRIFFIN, A.B., *II K A*

MOULTON, ALA.

Entered, 1924; Secretary of College Orchestra, 1924-25-26; Chairman of World Fellowship Y. W. A., 1925-26.

She is not a "Comedy of Errors"
 Nor "A Midsummer's Night Dream,"
 But take it "As You Like It,"
 She is just what she seems.
 Happy when she should be happy
 And yet she's serious, too,
 A good, true friend upon whom
 You can always depend.

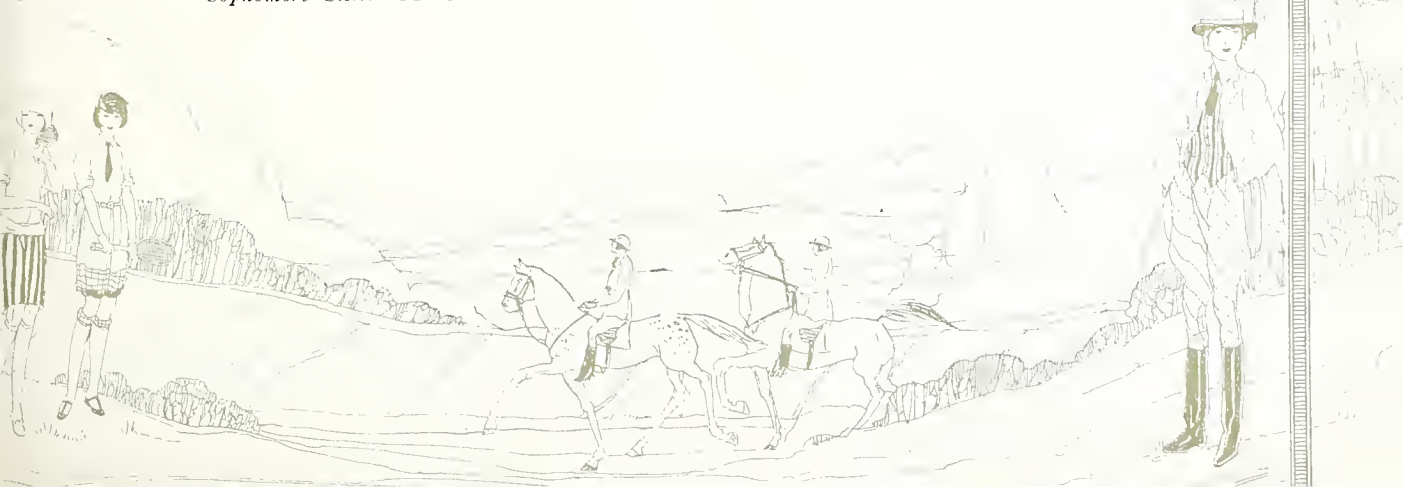

Sophomore Sister—MARY VINSON

MARY WILLARD HALL, B.S., *Φ Α Σ*

GENEVA, ALA.

Glee Club, 1917-18-19; Vice-President Philodendroi, 1920; Vice-President Executive Board, Summer School, 1923; Y. W. C. A. Cabinet, 1919; Dramatic Club, 1925.

Although Mary Willard's specialty lies in the arts of the home she has many talents in other lines. Not the least of her gifts is that pleasing personality. She's interested in all, she claims her friends by the score—in short, she's just "all-round."

LUCY HOLT, A.B.

BUFLER, ALA.

Entered 1923; Winner Alabama Power Co. Scholarship, 1923; Y. W. C. A. Program Committee, 1923-24; Y. W. C. A. Morning Watch Committee, 1924-25; Life Saving Corps; Dramatic Club, 1923-24-25-26; Art Club, 1923-24-25; International League of Women Voters, 1924-25; Choral Club, 23-24; Entertainment Manager of Alabama Players, 1925-26; Treasurer of Art Club, 1925-26; Treasurer Math Club, 1925-26; B. S. U. Council, 1925-26; President Y. W. A., 1925-26; Student Senate, 1925-26.

"Look thou not down but up!"

There has never been a more lovable, more sincere girl at Alabama College than Lucy. Since knowing her we feel that we have known a real girl, and her absence will be felt in the coming years. May your ambition always spur you on, "Lucy Dear," and lead you to as noble things as your noble thoughts.

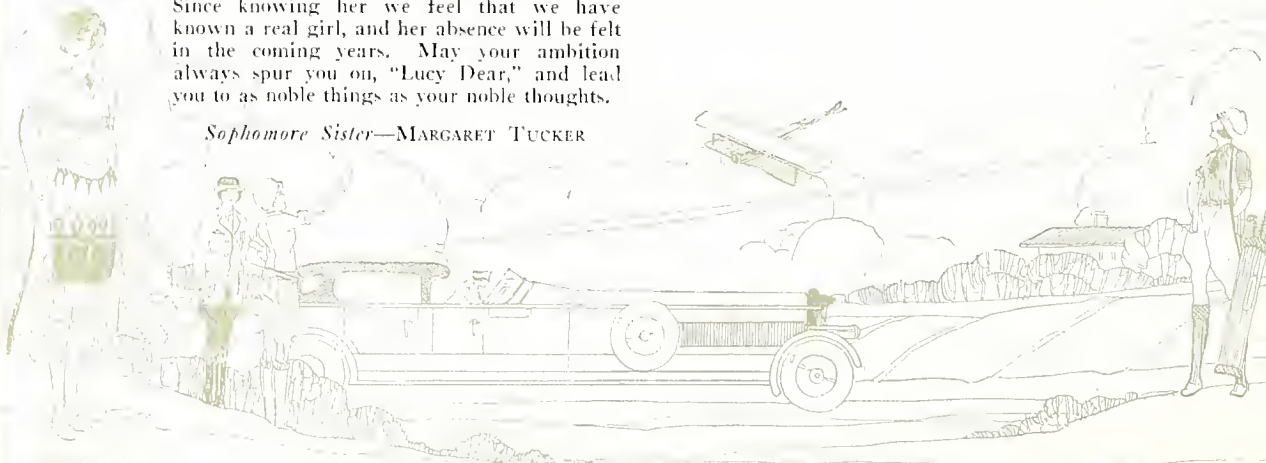

Sophomore Sister—MARGARET TUCKER

JUANITA HOUSTON, A.B.

CLAYTON, ALA.

What phrase could characterize Juanita better than "A smile will go a long, long way?" She will always be remembered by her classmates not only as an ideal girl, but one who executes duty to the fullest extent.

Sophomore Sister—RUBY MORTON

MYRTLE HOUSTON, A.B.

CLAYTON, ALA.

Member Cleosophic Literary Society.

Although Myrtle is retiring and quiet her good disposition has made many friends who will ever be true to her. The high principles for which she stands will create steadfastness and loyalty, what more could be desired?

Sophomore Sister—EUGENIA PATTON

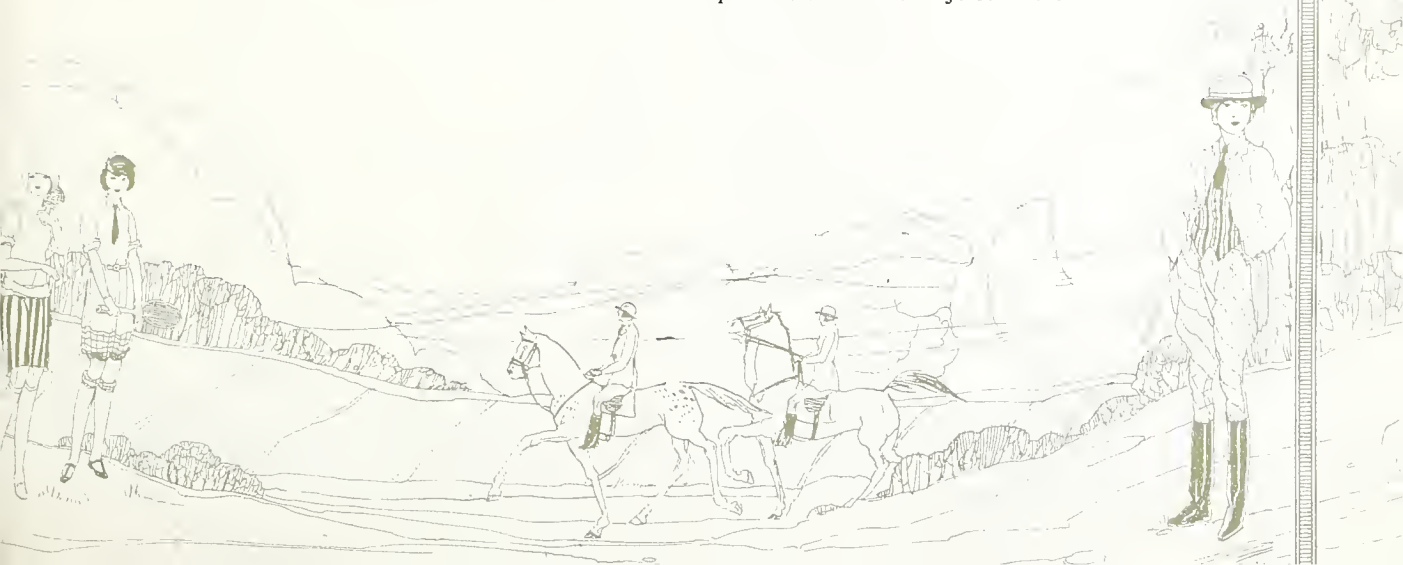

OLENE JOHNSON, A.B., *Π K Δ*

BRUNDIDGE, ALA.

Entered 1922; Member Cleosophic Literary Society, 1922-23; Basketball Class Team, 1922-23-24-25; Secretary and Treasurer Pi Kappa Delta Club, 1924-25; Critic Pi Kappa Delta Club, 1925-26.

Just the right amount of frivolity and seriousness are blended to make Olene a charming girl. She wins the hearts of all who know her.

Sophomore Sister—RUBIE JO SNELGROVE

MILDRED KEAHEY, B.S., $\Phi \Gamma \Sigma$
PLANTERSVILLE, ALA.

"Keahey"

Entered 1922; Winner of Birmingham News Scholarship; Class Basketball Team, 1923; Varsity, 1923-24-25-26; President Phi Delta Sigma, 1924; Vice-President Phi Delta Sigma, 1925; Home Economics Club; Member President Council, 1924; Member Senate, 1925-26; Treasurer Athletic Association, 1926; "M" Club; Class Marshal, 1924; Monk Literary Society, 1922-23; International League of Women Voters, 1924-25.

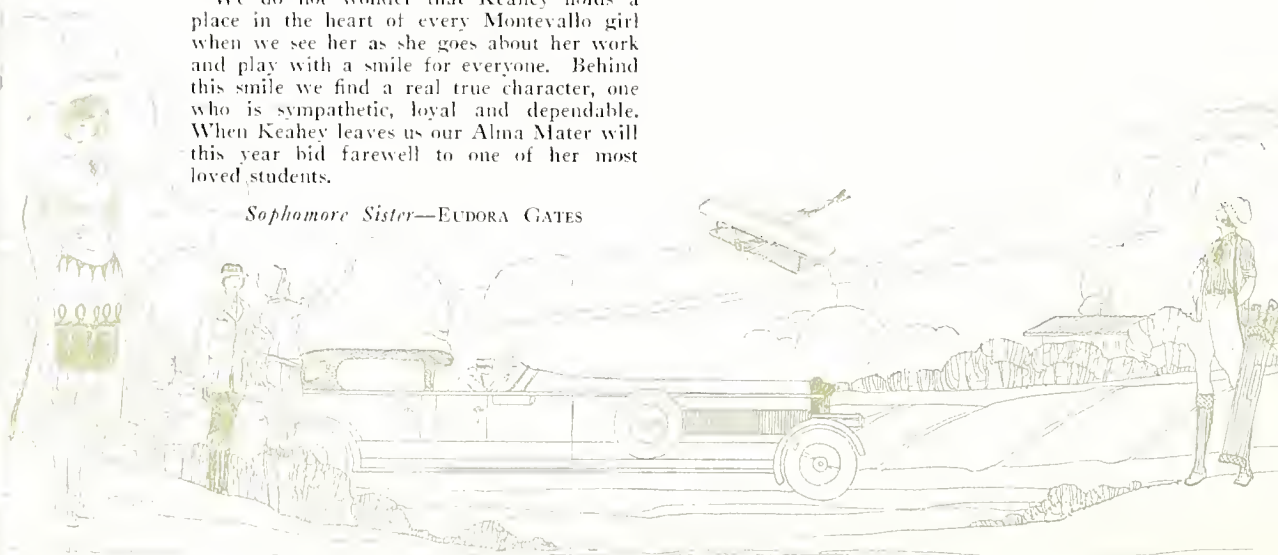

We do not wonder that Keahey holds a place in the heart of every Montevallo girl when we see her as she goes about her work and play with a smile for everyone. Behind this smile we find a real true character, one who is sympathetic, loyal and dependable. When Keahey leaves us our Alma Mater will this year bid farewell to one of her most loved students.

Sophomore Sister—EUDORA GATES

GRACE KELLY, A.B.
HEADLAND, ALA.

No one could have a better friend,
She'll stick by you through thick and thin.
Though she's jolly and full of fun
She'll never stop 'till her job is done.

Sophomore Sister—EUNICE PARKER

LOUISE LATHAM, A.B., $\Pi \Lambda \Sigma$
MONTEVALLO, ALA.

Good ole Buster! She's really a genius because, you know, she has managed to combine love and books with surprising success. We shall not soon forget the letters written in Dr. Bacot's history classes. No matter where you look, no matter what you find, a hundred adjectives won't describe her, for she's just that kind.

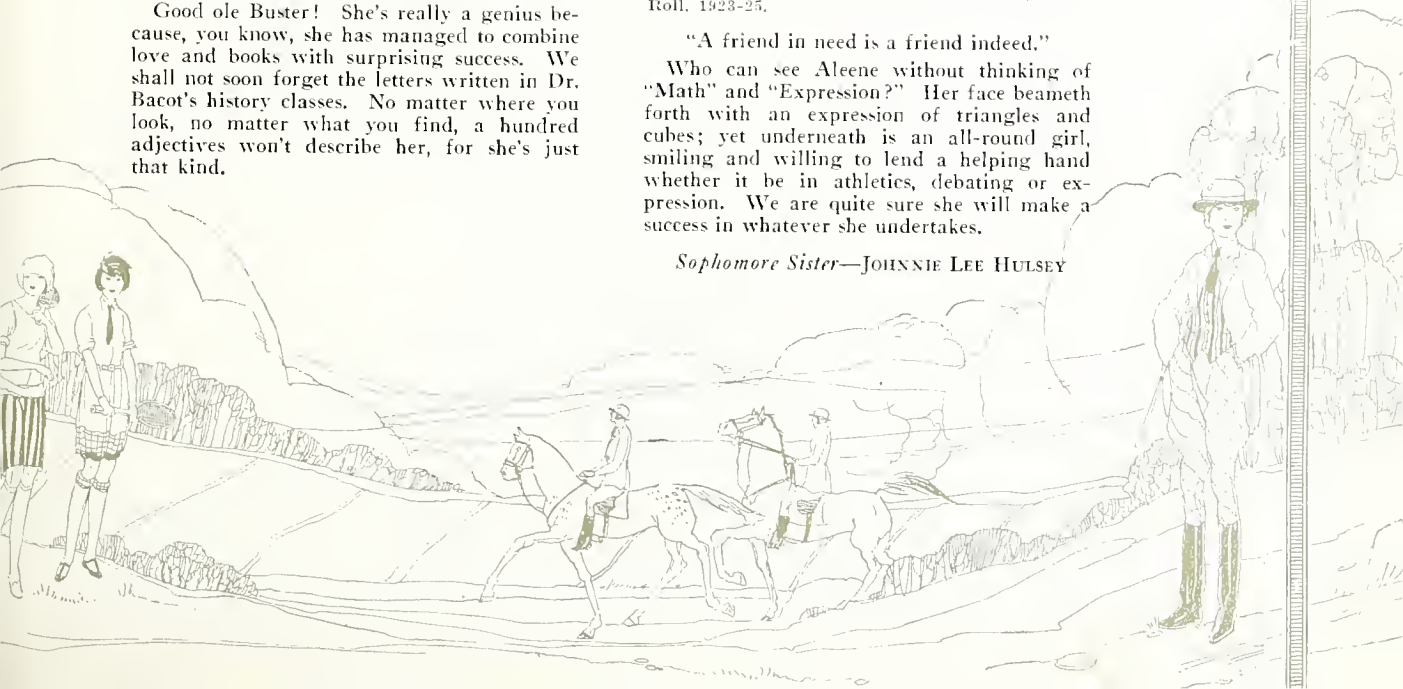

ALEENE LECROY, A.B., $\Phi \Lambda \Sigma$
ROCKFORD, ALA.

Entered 1922; Y. W. C. A. Committee, 1923-25; B. S. U. Council, 1925; Math Club, 1923-26; Y. W. A. Group Leader, 1923; Vice-President Mathematics Club, 1925; Monk Literary Society; Treasurer Phi Delta Sigma; Secretary-Treasurer The Forum, 1926; Executive Board, 1926; Honor Roll, 1923-25.

"A friend in need is a friend indeed."

Who can see Aleene without thinking of "Math" and "Expression?" Her face beameth forth with an expression of triangles and cubes; yet underneath is an all-round girl, smiling and willing to lend a helping hand whether it be in athletics, debating or expression. We are quite sure she will make a success in whatever she undertakes.

Sophomore Sister—JOHNNIE LEE HULSEY

MARY NETTE LOFTIN, B.S.
ENTERPRISE, ALA.

Entered 1922; Hall Chairman, 1924-25; Y. W. C. A. Committee, 1925-26; Senior Representative to Student Government, 1925-26; Home Economics Club.

Mary Nette, an unusual combination of intellect and beauty. These two qualities plus a winning personality have won for her a host of friends at Alabama College.

Sophomore Sister—CATHERINE PRENTISS

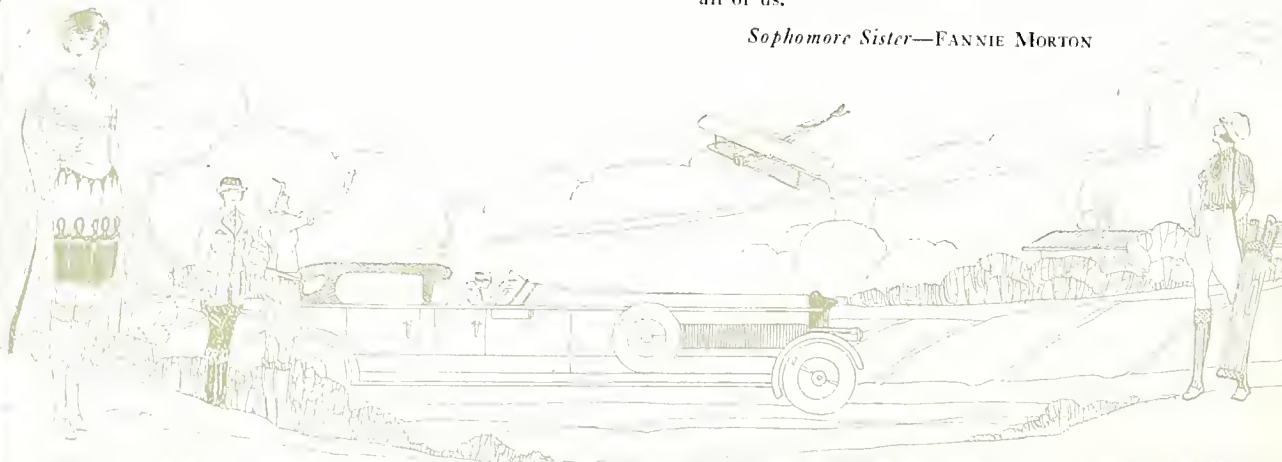

ANNE KIRTLLEY LONG, B.M., Z II 1
MARION, ALA.

Entered from Judson College 1923; Calkins Music Club, 1923-24-25-26; College Orchestra, 1923-24-25-26; President Orchestra, 1924-25; Chairman Big-Sister Committee Y. W. C. A., 1924-25; President Y. W. C. A., 1925-26; President's Council, 1924-25-26; Zeta Pi Delta Club.

The three years of Anne's Alabama College life have reached their climax this year while she has served us as the president of our Y. W. C. A.

A synonym for kindness, gentleness, a good worker and a loyal friend is—Anne Long, and for all this she is enthroned in the hearts of all of us.

Sophomore Sister—FANNIE MORTON

HATTIE WELTON LYMAN, B.S., $\chi \chi \Sigma$
MONTEVALLO, ALA.

President Class, 1923-24-25-26; President Castalian Club, 1924; Home Economics Club, 1923-24-25-26; Student Senate, 1925-26; Technala Staff, 1923.

Hattie Welton Lyman:

Theorem: That four years as class president mean pluck and wise guidance on the part of Hattie, and love for her on the part of all her classmates.

Proof: If Hattie had no pluck she would not have undertaken to lead us. If she had not guided us wisely we would not be the Senior Class we are today.

It Hattie had shown neither pluck nor wise guidance still would she be our class president, for the love in our hearts would place her there.

Therefore Hattie has shown pluck, she has shown wise guidance and we can't tell you here how we love her.

Q. E. D.

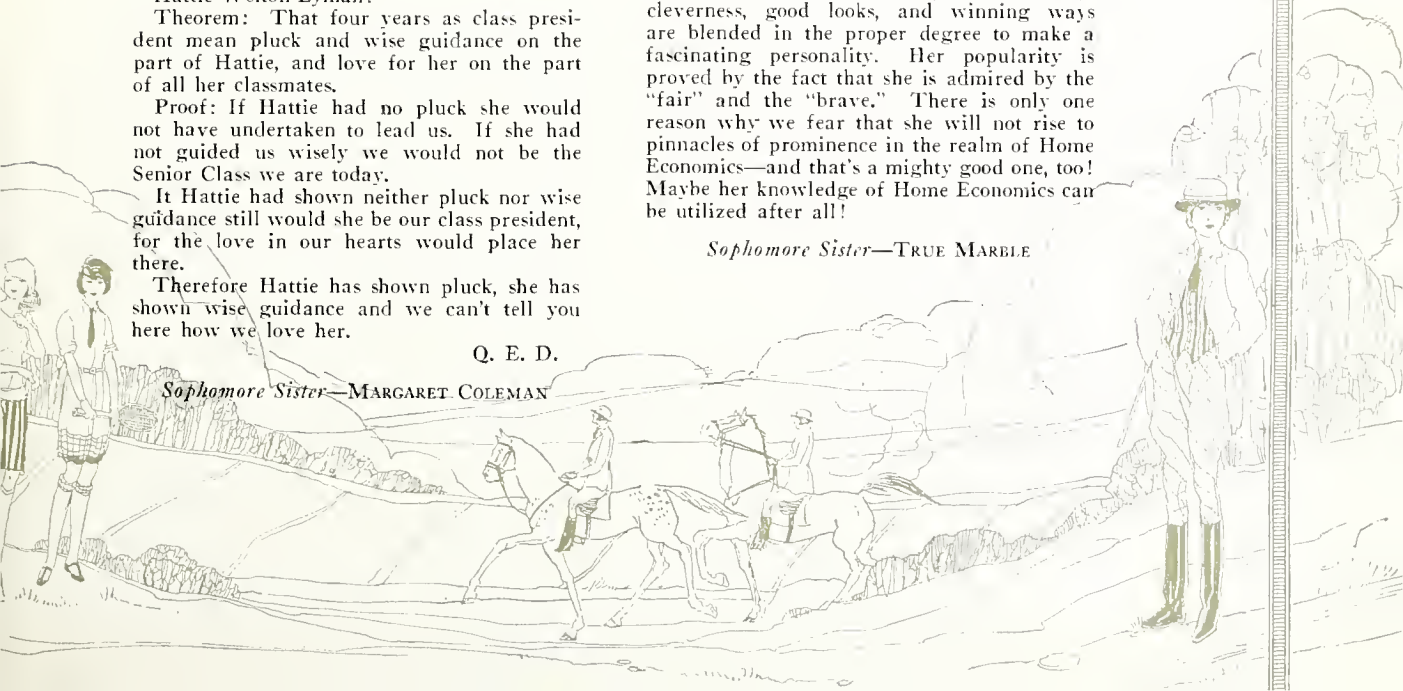

Sophomore Sister—MARGARET COLEMAN

EMMA LOUISE MARRIOT, B.S.
URIAH, ALA.

Attended Judson College, 1922-23; Home Economics Club.

Emma Louise is the perfect proof that a girl can be both attractive and capable. Sincerity, cleverness, good looks, and winning ways are blended in the proper degree to make a fascinating personality. Her popularity is proved by the fact that she is admired by the "fair" and the "brave." There is only one reason why we fear that she will not rise to pinnacles of prominence in the realm of Home Economics—and that's a mighty good one, too! Maybe her knowledge of Home Economics can be utilized after all!

Sophomore Sister—TRUE MARBLE

MILDRED McCORD, B.S.
FOLEY, ALA.

"Mid"

Entered 1922; Class Team, 1925-26; Home Economics Club, 1923-26.

"Her pleasant smile and kindly ways
Will live in our memories all our days."

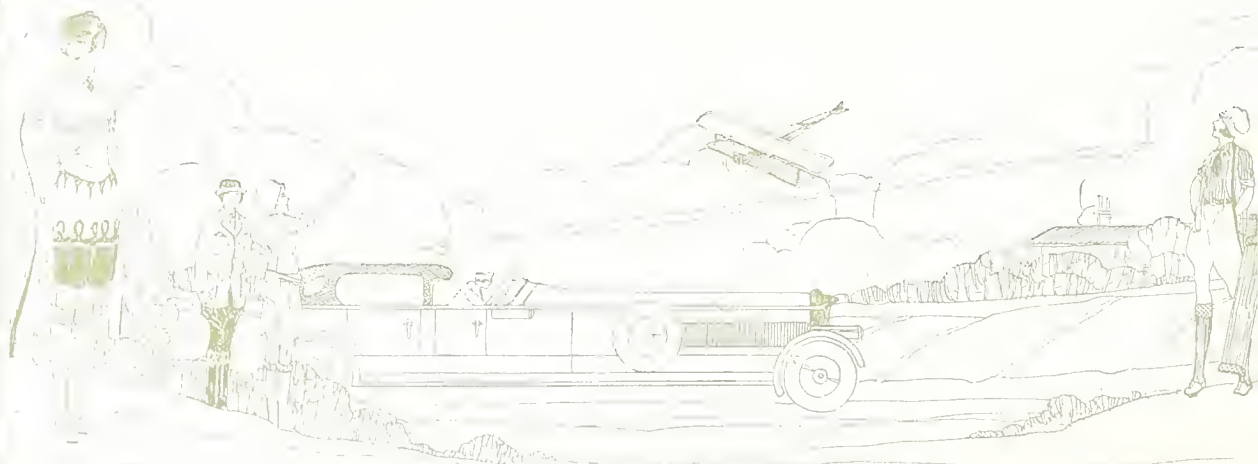

Sophomore Sister—DOROTHY BOLLER

CAROLINE MIDDLETON, A.B., *A II Ω*
COLLIRENE, ALA.

Vice-President Y. W. A., 1924; Treasurer Notan Club, 1923; Vice-President Notan Club, 1924; Personal Editor Alabamian, 1924; Art Editor Alabamian, 1925; Events Editor Technala, 1925; Art Editor Y. W. A., 1925; Chairman Decoration Committee for Golds, 1922.

"To know her is to love her" is a saying that is often quoted, but it fits Caroline perfectly. She may appear distant at first; win her friendship and you'll have a lasting one.

Sophomore Sister—EDITH DELCIAMPS

KATHERINE MILLER, A.B.

GADSDEN, ALA.

Entered 1922.

Is there anyone who doesn't love Katherine? Of course not! She is always there with the goods and "help" is her middle name. We admire her pep and originality. She is good as the best and her modesty is untiring. We all want to be like you, Katherine.

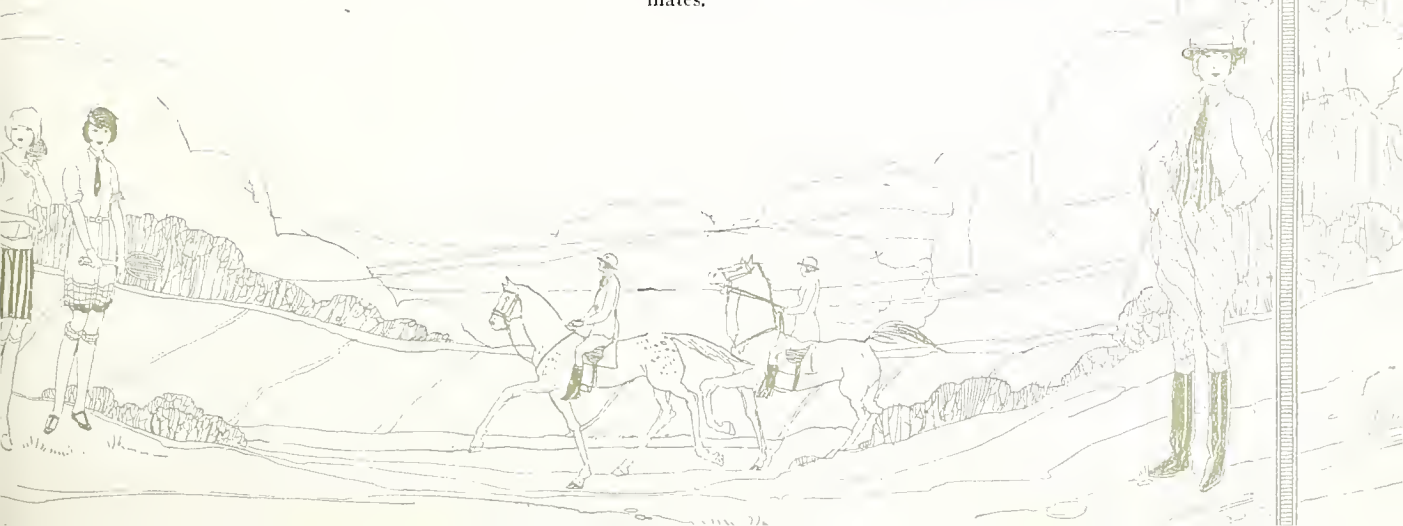

Sophomore Sister—ELIZABETH ELLIOTT

ELMA O'NEIL, A.B.

GAINSVILLE, ALA.

Entered 1921; Vice-President H. S. Class, 1921-22; Glee Club, 1921-22-23-24; Business Manager Glee Club, 1922-23-24; Business Manager Alabamian, 1923-24; Secretary Scribbler's Club, 1924-25; Editor-in-Chief Alabamian, 1925-26; President's Council, 1925-26.

Elma O'Neil—"Nuf Sed"—yes, everybody knows her. Loyalty, originality, wisdom, and personality combined hardly compliment her justly. Her ability to do the right thing at the right time has given us the right to say, "She is an all-around girl," loved by all her classmates.

LEETA ORR, B.S., K Σ Φ

HARTSELLE, ALA.

Entered 1922; Home Economics Club, 1924-25-26; Secretary of Kappa Sigma Phi, 1923-24; Treasurer Kappa Sigma Phi, 1924-25; Vice-President Kappa Sigma Phi, 1925-26; Class Basketball Team, 1923-24-25; Senate Member, 1925-26.

Leeta possesses pep, personality and "principles" and all of her undertakings are characterized by these three "p's". Perseverance, intelligence and loveliness added, go to make up a real pal. Montevallo will not be the same with Leeta elsewhere.

Sophomore Sister—ELIZABETH GRAVES

LILIAN CAMPBELL PROUT, A.B.

H A Σ

DEMOPOLIS, ALA.

Entered 1922; Class Marshal, 1922-23; Technata Staff, 1923-24; President Student Government, 1924-25; President Scribbler's Club; Member Student Senate, 1925-26.

Would you know a born writer?

It's Lilian!

Would you know a splendid executive?

It's Lilian!

Would you know who'll put it through

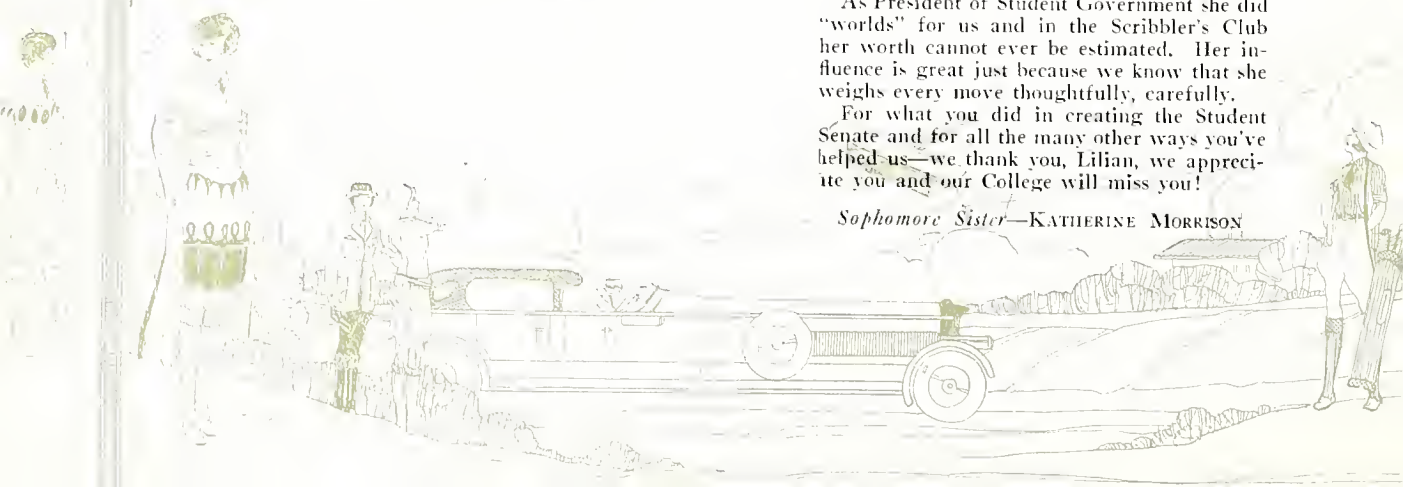

When there's something you can't do?

It's Lilian!

As President of Student Government she did "worlds" for us and in the Scribbler's Club her worth cannot ever be estimated. Her influence is great just because we know that she weighs every move thoughtfully, carefully.

For what you did in creating the Student Senate and for all the many other ways you've helped us—we thank you, Lilian, we appreciate you and our College will miss you!

Sophomore Sister—KATHERINE MORRISON

IRMA REAVES, B.S., Z II Δ

CAMP HILL, ALA.

"Red"

Entered 1922; Monk Literary Society; Treasurer Athletic Board, Junior and Senior Class Athletic Board Representative; Class Basketball, 1923-24-25; Home Economics Club; President League Women Voters; Treasurer Zeta Pi Delta Club; Alabama Players, 1923-24-25; Treasurer Alabama Players, 1924.

Here's to you, "Old Red," and your clean sportsmanship—the best Alabama College has ever boasted. Though you leave her halls, they will still ring with your merry laughter. Your presence here has been helpful both to your friends and your Alma Mater. May success be yours—now and always.

Sophomore Sister—MARY NOBLE

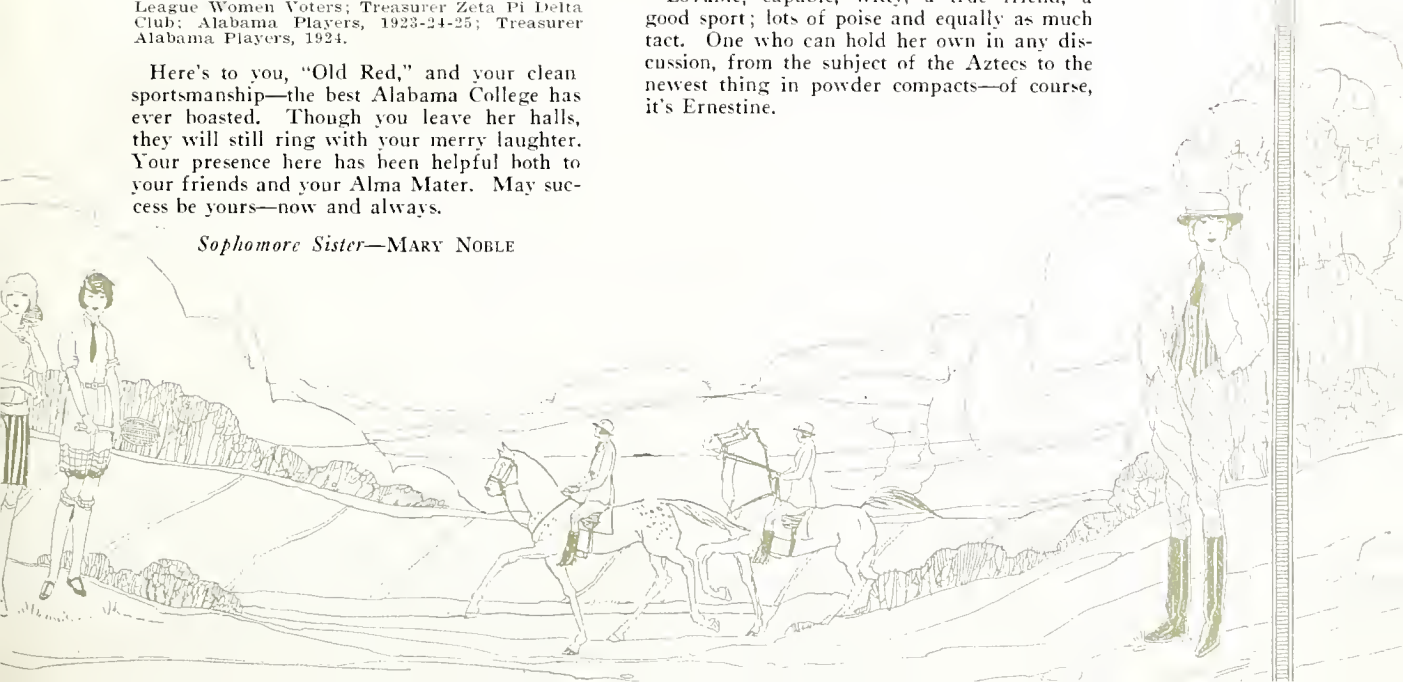

ERNESTINE ROBINSON, A.B.

MONTEVALLO, ALA.

"Stine"

Entered High School, 1921; College, 1922; Monk Literary Society, 1922-23.

Lovable, capable, witty, a true friend, a good sport; lots of poise and equally as much tact. One who can hold her own in any discussion, from the subject of the Aztecs to the newest thing in powder compacts—of course, it's Ernestine.

MARY ERIN RILEY, A.B.

SYLACAUGA, ALA.

Monk Literary Society, 1922-23; Class Cheer Leader, 1922-23-24-25; President Y. W. A., 1923; School Cheer Leader, 1923-24; Y. W. C. A. Cabinet, 1923; B. S. U., 1924-25; Glee Club, 1922-23-24-25; Leader for College Night, 1923; Executive Board, 1924-25; Secretary and Treasurer Glee Club, 1925; Technical Staff, 1925; Vice-President Class, 1925.

Mary Erin—those two words immediately bring a mental image to “ye scores of acquaintances” of all that one could tell in a volume. Wit—a made to order type to which is added a brand of Mary’s mirth. Striking? I should say. Sincerity? Enough to lavish it on all her friends, which are greater in numbers than the “Charleston” delegation! Ability? Scan her honors, then rub your eyes and read slowly. Charming? Could anything short of such result from the combination known as Mary Erin?

Sophomore Sister—LUCY STEVENS

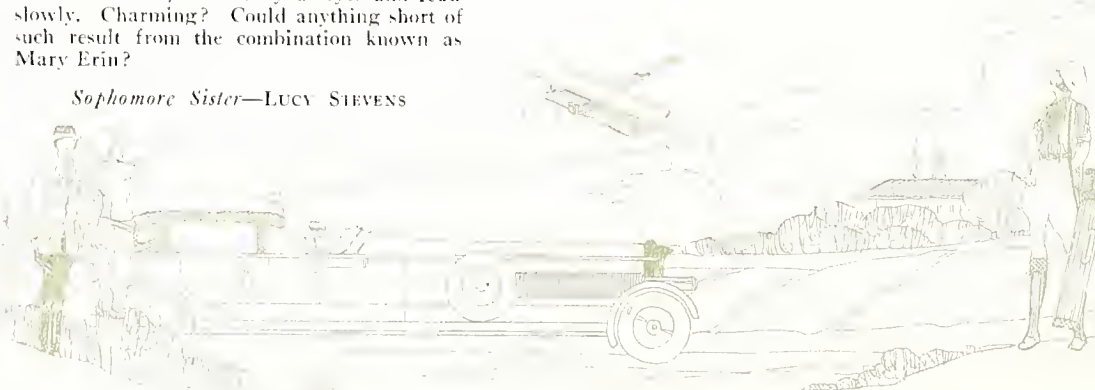

RUBY SANDERS, B.M.

TROY, ALA.

Entered 1922; Calkins Music Club; 1922-26; Choral Club, 1923-26.

Blessed with all those qualities that are inherent in a noble woman, she goes along life’s way quietly, doing her task well and remaining ever loyal to herself and others. An altogether lovely girl is Ruby.

Sophomore Sister—EDITH GILCHRIST

FANNIE JO SCOTT, A.B., $\chi \lambda \Sigma$
 VERBENA, ALA.

"Jo"

Entered 1922; Alabamian Staff, 1924-25; Math Club; Presidents' Council, 1925-26; Technala Staff, 1925-26; President Castalian Club, 1925-26.

The term "ideal college girl" fits Fannie Jo to perfection. She's studious, ambitious, and always "among those present" on first honor roll, and is capable to the "Nth" degree. The most understanding of friends, she's always in a good humor—and her disposition didn't have to be cultivated! Pep, personality, and 57 varieties of fun, and a personal attractiveness peculiar to herself—that's Fannie Jo.

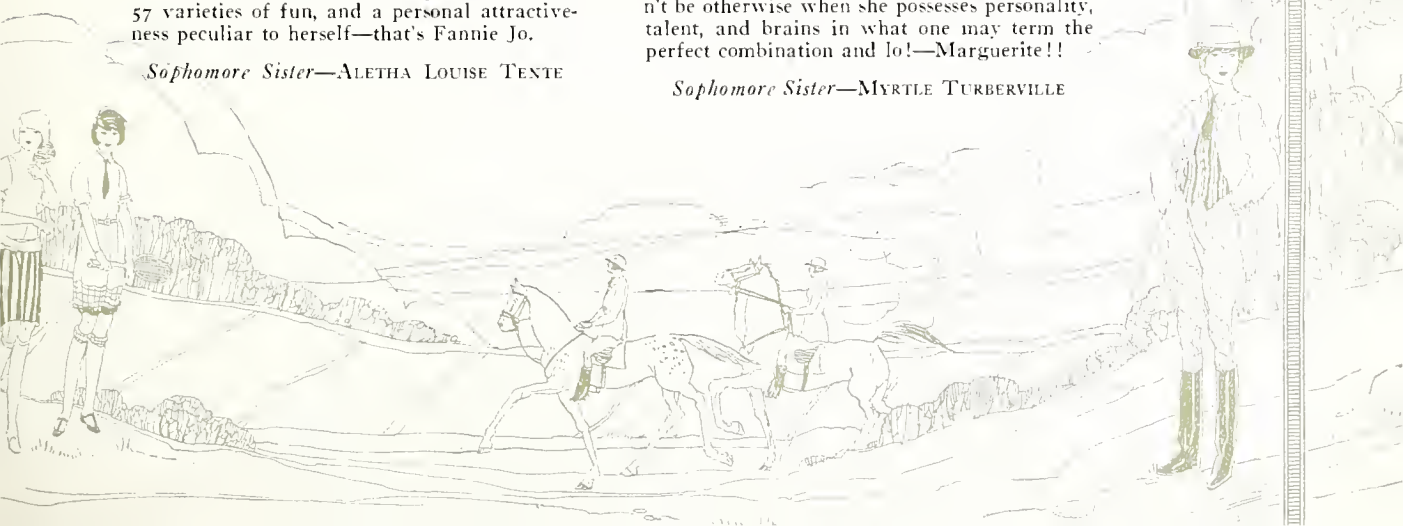

Sophomore Sister—ALETHA LOUISE TENTE

MARGUERITE SCROGGIN, A.B., $\Pi \lambda \Sigma$
 CENTRE, ALA.

Class Basketball, 1920-21-22-23; Captain Class Basketball, 1922-23; Varsity Basketball, 1921-22; "M" Club, 1921; Student Government Association, 1921-22-23; Class President, 1921-22-23; Re-entered, 1925; Student Assistant in English, 1925.

Uniquely popular! Unique, in that she unassumingly and quietly steals into and claims each heart in turn—yea, boys, beware! Popular, in that her friends include 100 per cent of her acquaintances—"and thereby hangs a tale," for it goes without saying, that it couldn't be otherwise when she possesses personality, talent, and brains in what one may term the perfect combination and lo!—Marguerite!!

Sophomore Sister—MYRTLE TURBERVILLE

ANNY MAY SKINNER, B.S., *I Σ T*

MONTGOMERY, ALA.

"Ann"

Editor-in-Chief "Technala," 1925-26; Editor-in-Chief "Alabamian," 1924-25; President Glee Club, 1924-25; Vice-President Scribbler's Club, 1924-25; Critic Tutwiler Club, 1923-24; General Manager Alabama Players, 1923-24; Presidents' Council, 1924-25-26; Secretarial Club; Who's Who, 1922-23; Class Poet, 1922-23-24; Tutwiler Club Reporter to Alabamian, 1923-24.

"To those who know her not, no words can paint,

And those who know her know all words are faint,

No duty e'er oe'r tasked her, however great, Success and happiness is sure to be her fate.

Good sense is hers—a gift of heaven divine; Sincerity—the gods blessed her in that line;

Good looks—far, far more than her share. Determination, grit, and the will to dare.

And men—be they light or dark, or short or tall,

She merely looks their way and snares them all;

But all these words are superfluous indeed, For names that dwell on many tongues, no minstrels need."

BILL SMITH, A.B., *X Α Σ*

OPP, ALA.

Entered 1922; Alabama Players, 1923-24-25-26; Monk Literary Society; Vice-President Alabama Players, 1924; Secretary-Treasurer Class, 1924-25-26; Class Basketball, 1923; Varsity, 1923-24-25-26; Calkins Music Study Club, 1923-24; Life Saving Corps, 1924-25-26; President Life Saving Corps, 1924-25; Athletic Board, 1923-24; Senate, 1925-26; Class Marshal, 1924-26; Y. W. C. A. Social Committee, 1923; Orchestra, 1923-24; Class Orchestra, 1926; League of Women Voters, 1925-26; Art Club, 1923; Presidents' Council, 1924-25; "M" Club, 1923-24-25-26; Hall Chairman.

In our search for an ideal college girl we found Bill, and our search was satisfying. She's a girl who loves and is loved, who works and plays, who laughs and cries, who knows how and what and when to do the thing that's needed most. Bill's all right!

Sophomore Sister—UNA FRANKLIN

FLORENCE SMITH, A.B., *A II Q*
DEMIOPOLIS, ALA.

Athletic Board; Class Marshal, 1922-23; Technical Staff; President Alpha Pi Omega, 1924-25; Associate Editor Alabamian, 1925-26.

"Drink to me only with thine eyes"
and
"On with the dance."

Florence is a girl who needs no such limping tongue as mine to sing her praises. With a wit that is sparkling but does not sting, with a cleverness that never approaches clownishness, and with a personality that wins all with whom she comes in touch, she has gone through four years of college one of our best loved mate. When I think of her leaving Alabama College my eyes become teardimmed and my throat becomes dry. What will we do without the marrymaker, "the life of the party?"

We count ourselves better for having known you, Florence, and may all your years be as successful as your years at Alabama College.

Sophomore Sister—MIRIAM GREGG

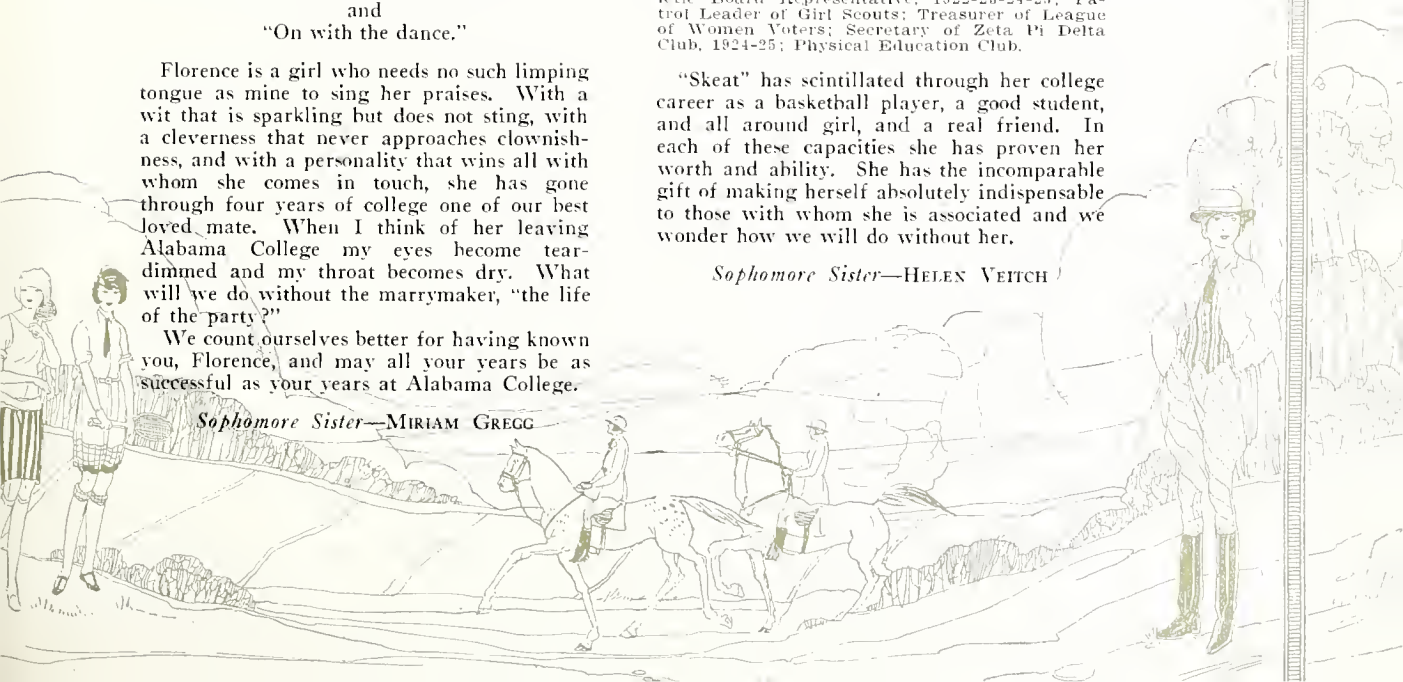

LUCILLE SNELGROVE, B.S., *Z II A*
BOAZ, ALA.

"Skeat"

Entered 1922; Bunbury Literary Society; Class Basketball, 1922-23-24; Captain of Class Team, 1923-24; Varsity Basketball, 1925; Class Athletic Board Representative, 1922-23-24-25; Patrol Leader of Girl Scouts; Treasurer of League of Women Voters; Secretary of Zeta Pi Delta Club, 1924-25; Physical Education Club.

"Skeat" has scintillated through her college career as a basketball player, a good student, and all around girl, and a real friend. In each of these capacities she has proven her worth and ability. She has the incomparable gift of making herself absolutely indispensable to those with whom she is associated and we wonder how we will do without her.

Sophomore Sister—HELEN VEITCH

AGNES STEWART, A.B., $\Phi \Delta \Sigma$

WEAVER, ALA.

"Ag"

Entered 1923; President Phi Delta Sigma Club, 1924-25; Scribbler's Club, 1924-26; Art Club, 1923-24; President's Council, 1924-25; Student Senate, 1925-26.

"Who doth ambition shun?

Not Agnes.

Who is optimistic as the sun?

'Tis Agnes.

Who makes you laugh when you're feeling blue?

Who do you like to tell your troubles to?

Ag-er-nes dear, 'tis you."

Sophomore Sister—PAULINE DAY

"Kat"

Entered 1922; Class Basketball, 1924-25; "M" Club; Mathematics Club, 1925-26; Girl Scouts; Y. W. A., 1925-26.

Kat is the same Kat, wherever you put her, and although she's been put at Monte lo these many years, she has won a host of friends who will miss her heaps.

Sophomore Sister—RUTH HILLMAN

HELEN TOWNSEND, A.B.,
RUSSELVILLE, ALA.

"Pats"

Entered 1922; Cleosopic Literary Society; Class Basketball Team, 1923; Varsity, 1923-24-25-26; Captain Varsity, 1925; Life Saving Corps; "M" Club; Math Club; 1923-24-25-26; President Math Club, 1923; Scribbler's Club, 1924-25-26; President Scribbler's Club, 1924; Class Orchestra, 1926; Technala Staff, 1924; President Athletic Association, 1925-26; President's Council, 1923-24-25-26.

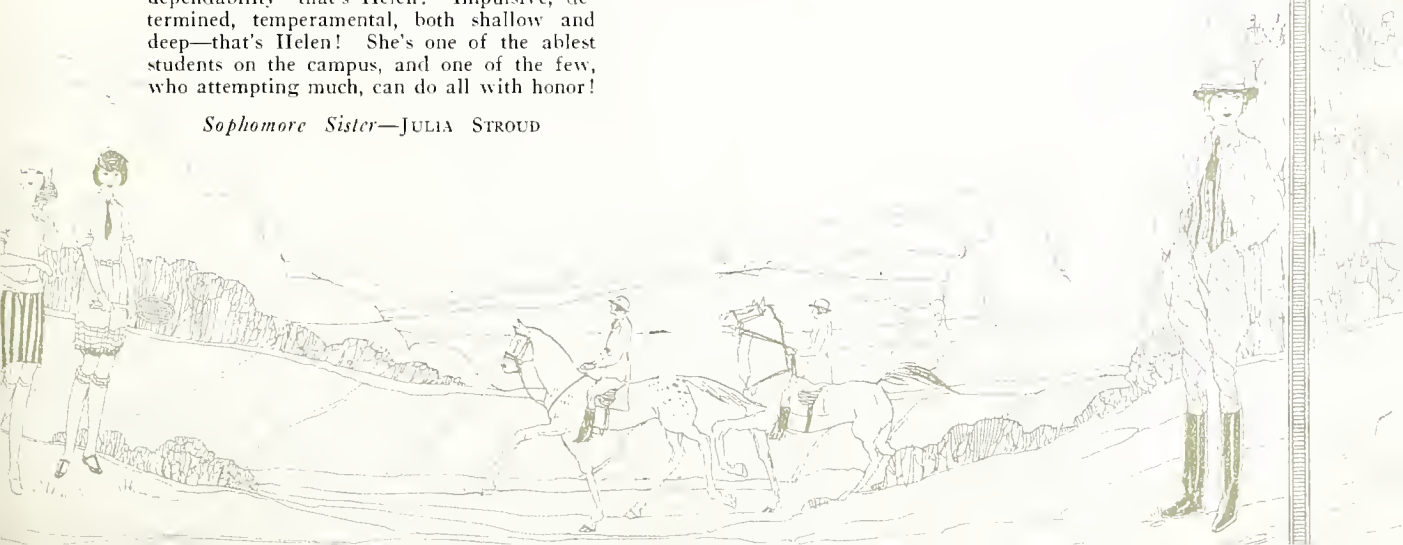

Brains, pep, originality, ambition, efficiency, dependability—that's Helen! Impulsive, determined, temperamental, both shallow and deep—that's Helen! She's one of the ablest students on the campus, and one of the few, who attempting much, can do all with honor!

Sophomore Sister—JULIA STROUD

CLYDE WAINWRIGHT, A.B., *A II Ω*

"A dash of sparkling grey eyes, black curly hair and sunny smile—that's Clyde. Only one brief year has she been with us, but by her carefree disposition and peppy music she will hold a warm spot in the memory of all who know her.

LOUISE WARD, B.S.

"A little learning is a dangerous thing" Nellie has observed for she has drunk deep of the Pierian spring. She possesses one of the rarest elements known—good common sense. Shall I prove it? Her jolliness and sound reasoning are proof enough. "Ole Monte," what will you do without her!

Sophomore Sister—NONA HORSLEY

It is in the field of Home Economics That Inez has chosen her work, And in this she is not excelled. She is pretty and jolly, and from her face beams

A smile that will banish all care; In her eyes of brown there's a mischievous gleam,

Girls like her are exceedingly rare.

To you, fair one, may happiness come, For many things good you'll do; Of all the girls in this whole school, There is no one just like you!

In the dim and distant future
When our Councils you would visit,
You must sit among our women,
Who are leaders of our Nation,
And among the gentle-men,

Alabama College Takes Flying Colors From B'ham Southern

SCORE 23-29—TOWNSEND AND SMITH STARS

Playing their first game of the season did not stop the dashing forwards, the steady guards, or the swift pass work of the invincible Alabama College team. They were there, they were here, they were everywhere. Dribbling, running, jumping, pivot-

ing, juggling until the final whistle blew; then they stood still with the score standing 23-29. Montevallo's victory.

Townsend, captain of the team, is one of the best bets on Montevallo's basketball quintet. It is a lucky forward who succeeds in finding the basket at all when Townsend is her opponent. She was in her best form Saturday afternoon when Howard team clashed with the Montevallo five on the home court. Time and time again of the Howard Co-eds made a desperate effort to reach the goal, only to find Townsend an invincible wall between her and her desire. There is no forward so swift that Townsend is not swifter, and when it comes to team work Townsend is hard to beat. Always steady and reliable.

Passing is a sure game and no balls ever go wrong when Townsend is behind them.

The line-up for Alabama College has leaked out and the "Stone Wall," Smith, will begin the game as guard. Smith, reliable coworker of Townsend at the guard end, showed all her marvelous ability to get the ball off the backboard and, by the clever passwork with partner guard and center, to get the ball into the hands of the Montevallo forwards; hence, into the basket, of course. Throughout all her basketball career, Smith has been known and dreaded as a sticker.

Her own team members would rather be guarded by anyone else than Smith.

All the opposing forwards who have ever encountered her cherish the same sentiments. With her pass work, her ability to keep with her forward, and to

relieve balls, she is one of the strong points of the Montevallo team.

The crowds were thrilled by Keahey's beautiful plays as forward. The steadiness of the little blonde in playing throughout the whole game was very remarkable. She was always right on the spot, and time and time again fooled the Pantherettes with a juggle into clear space on the floor and an unfailing shot for the goal. Keahey's lightning speed made her guard look like slow motion pictures. Although a spectacular player, selfishness was not even intimidated. Pass work with Jones, the other forward, and Ward, the center, was unfailing. With such a dependable forward, Montevallo's prospects this year are certainly very bright.

JACKSONVILLE, Feb. 6.—Alabama College got the jump on Jacksonville Normal Co-ed Saturday night at the A. D. G. by copping their second victory of the season. The game was a thrilling encounter, made so a quitting time neared by a determined rally on the part of the Normals. Both teams displayed a neat offensive and strong de-

fense. Many sparkling plays featured the game. Jones, under the basket, who escaped the attention of the normal back guards, scored several of the goals for the visiting team, one play used by Grayson several times—a dribble into Jacksonville territory, a fake at the basket and a swift pass to Ward under the goal scored a couple

GRACE BERRYMAN

two pointers for the winners. Berryman also made a beautiful play on a double pass, which she received under the basket for a speedy basket. Cawthon was the leading player on the Normals' system, and played an excellent game until she was forced out on account of fouls.

"Skeet" Snellgrove, Montevallo's speedy forward, displayed an accurate eye for the goal in this afternoon's game when Montevallo's invincible five met the Howard Co-eds. "Skeet's" game was remarkable for speedy floor work. No matter what the tactics, none of Howard's guards could stop the whirlwind attack staged by this slight player of the Montevallo aggregation.

"Alabama College team is in the best of shape for the game," so Coach Kent said. Ward is expected to lead the team to victory. Ward, the nonchalant; Ward, the indifferent. How her height and her coolness, as she walks out on the floor, make cold chills chase up and down the backs of opponents. Her sureness at the tap-off, her ability to cover the floor, her brilliant goal work, her recovery balls at the opposing basket, her passwork with all the other team members, mark her, in all games, as a star player in the hardest place on the team, center player covering the floor. Ward's work thrills even the opponents. Imagine how Montevallo feels about her.

HELEN TOWNSEND

Margaret Grayson makes her debut as forward in thrilling game with Jacksonville; chance came because of illness of other player. When the team went into action with a new forward we all wondered what the outcome would be—but after the first quarter all doubts as to Grayson's ability had vanished. Her long shots were sensational, and her ability to cover territory on a dribble made many of the 39 points for Montevallo. Indeed, she displayed all the characteristics of a seasoned player, and we predict that the Jacksonville game was only the beginning of her triumph.

Alabama College Wins in a Slow Game Over the Howard Team. Griffin as Guard Showed Her Ability

MONTEVALLO, ALA., Feb. 13.—The first half of the game was a drag; Howard running Montevallo a close race in points. Beginning the second half, Alabama five came back with the fighting spirit. Guards standing as walls, holding their opponents to few goals; centers, here, there, shooting goals, getting the tip-

off, passing from all angles of the field, while the forwards were sure of the goal any place on the field.

The perfect guarding of Griffin Saturday was one of the features of the game. She played hard, she played fast, and she played fairly. The forward was helpless against such defense, while her own team was made stronger by her passing of the ball to the forward territory. The spectators were thrilled by her playing, while her opponents were dumbfounded. Such swiftness is not often seen along with accuracy and clean playing.

Ruth Jones played a stellar role as forward in all games of the season. Her eye for the goal was ever accurate. Her floor work was always clever and she never failed to recover the ball from the backboard. In all games the best guard was put on Jones, but in vain, for her successful dodging, pirating and faking evaded the heaviest defense. If Freshman Jones played thus we wonder what Senior Jones will be like!

Berryman, without a doubt, carried the team to victory. For the lanky Montevallian started the game as forward, she cleverly played the triple role of forward, center, and guard. In the third quarter, Berryman as center instead of Ward, got the tip-off and with wonderful speed and accuracy completed beautiful passes with her forwards, Keahey and Jones, which terminated in basket after basket. During the second half, Berryman guarded Whisenhaut, the star forward of the South, and with this spectacular guard-

ing as a check, not a single field goal was made. With such a guard, the Montevallo team has little to fear in the rest of her encounters of the season.

With the Howard-Montevallo game will always be associated the notorious guarding of Weatherly. Slight of build—the big Howard forward expected a walk-away, but got the surprise of her life in the first minute of the game, when she found Weatherly an unsurmountable barrier. In toss-ups she got the tip-offs, in passes she was neat, and in speed she was lightning. Throughout the entire game she kept a smile on her face that was consistent with her even playing and that seemed to bewilder her opponent.

CAMPUS HICCOUGHS

Colleges expect every man to do his daddy. There is not much romance about a girl from your own town.

It is too much to ask even a state university to make brain out of adamant.

All the learning you get in college won't make the folks act right when you get back home.

Heaven pity the college stomach.

Eternity is brief compared to a college play.

Getting money from home is not always like taking candy from a baby.

Summer positions but most are jobs.

There is no possible way of having co-education without girls.

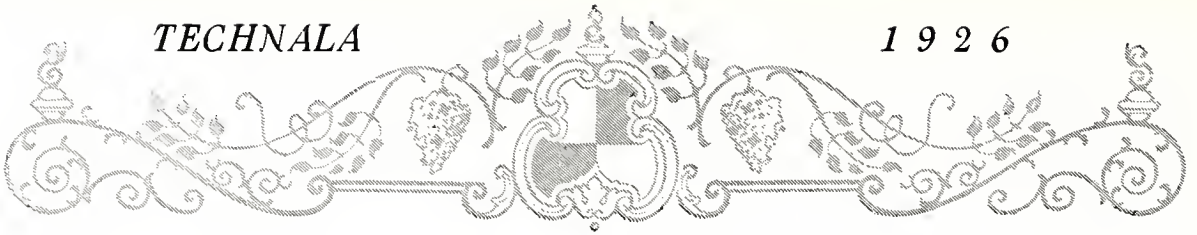

Nobody ever worked his way through an educational engineering college with a laundry agency.

Take care of the week-ends and the weeks will take care of themselves.

All the world loves a lover, except his own fraternity brothers.

There is invariably one killing wit in the group at the photographers.

"After getting Registered!"

Horace called on Estelle. They spent an enjoyable evening in intellectual conversation. They did not talk of the achievements in science, of the policies needed to solve the world's problems, of books, of travel, of art. They talked of none of these things. They talked of Horace.

When a woman looks her best she often does her worst.

A new girl came to town. They said she was too nice, too serious, narrow, hypersensitive, strait-laced, underdeveloped, unsophisticated, inexperienced, abnormal, cowardly, thin skinner—
In other words, she was what is known as decent.

"Do you know the difference between a pig-skin and a skinned pig?"
"No."
"Well, wouldn't you make a swell football player?"

DO YOU KNOW THE TYPE OF COLLEGE YOUTH WHO—

Receives all information with skeptical leer?
Wears his watchchain across his waistcoat, running northwest to southeast? Invariably knows the first name of every head waiter?
Tells you that he can't understand why all women fall desperately in love with him?
Always has a scheme of making a million

dollars, but has never been known to have more than a couple of bones in his pockets? Pretends that he is someone else on the telephone? Begins all anecdotes with, "I'm not much at telling a story," and then proceeds to prove it? Wears spats over his rubbers? Always opens the conversation with "Say, listen!?" Phrases his farewells in such terms as "Olive oil," "Don't take any wooden money" and "Toodleoo"?

Our ideal of the absent-minded prof is the one who walked into the room, put his cane in bed and stood in the corner; tied his spaghetti, and ate his shoe strings; washed his hands, threw the water in bed and jumped out of the window.

Said Sally: "Oh—I think it is wonderful out tonight. Let's not go in and dance, let's sit out here, just you and I, and talk."

"Advertising is very like unto a woman," quoth the old sage, the prophet, the seer, as he sat gently massaging his double chin, the while he allowed his beard, his wits, his bush, to dry in the sun. "It very often attracts uni-

Tho' the years have rolled on to the fifties,
And the girls have swapped places with the men;
Tho' they've clipped off their own crowning glory—
And gone Charleston-ing round, now and then;
Someday they'll forget their own salary—cigarettes—neckties and flasks.
And the end—wait and see o' my daughters,
When this pleasure mad journey is through,
If these wild, college flappers
Don't pause at the altar meekly saying,
I Do.

THE END

“TYLER’S BEST”

When you put to practical use in the home what you have learned in Domestic Science at Alabama College, remember that good food must be pure, wholesome and of a high quality when it is prepared at the source of supply.

“Tyler’s Best” means the best that can be packed—whether it be peaches, cherries, apricots, pears, etc., for the dessert or a salad; or peas, lima beans, string beans, tomatoes, etc., as a vegetable, or coffee, syrup, and other good things to eat.

For twenty-four years we have endeavored to give to food users the very best that careful selection and money will buy under the Tyler’s Best Label. We use a Pointer Dog as a trade-mark, and our motto, “Tyler’s Best—this dog stands for quality, we stand behind the dog”—means just that.
